

INT. GYMNASIUM - DAY

The kids are all gathered around Chef.

CHEF  
Okay, children, it's Friday and you  
know what that means for P.E. class...  
we're gonna play DODGEBALL!!

The kids all moan.

KYLE  
We don't wanna play dodgeball it  
hurts.

STAN  
Yeah!

CHEF  
-So let's have half the children on  
this side, and half the children on  
that side.

The kids all whine and head for their respective corners.  
Pip quickly catches up to the four boys.

PIP  
Uh, excuse me a moment, gentlemen. I  
don't believe I know how to play  
dodgeball.

CARTMAN  
What?! Don't you have dodgeball in  
France?

PIP  
Well, no. And actually I'm not from  
France.

STAN  
Look, Pip, the rules are simple. A kid  
from that team is gonna try to bean a  
kid on our team in the head with a big  
red ball-

PIP  
Oh, dear...

STAN  
If the ball hits you, you're out. But  
if you CATCH the ball, HE'S out. And  
the last team to still have anybody  
standing wins.

PIP  
Oh what jolly good fun!

KYLE

No it isn't, it hurts. I can't believe  
they let us play this in school.

The kids all line up. Chef blows a whistle.

CHEF

PLAY BALL!!

A kid from the B team (That's the team WITHOUT Stan,  
Kyle, Cartman and Kenny) throws the ball as hard as he  
can.

The ball immediately SMACKS into the face of an  
unprepared A team player (Clyde). Clyde flies to the  
ground, and starts crying immediately.

KYLE

DAMMIT! WE'VE LOST ONE ALREADY!

CHEF

(Laughing)

You're out, Clyde!!

STAN

JORDAN, SWANSON, PULL FORWARD!! WE  
NEED BACKUP!!!

Jordan and Swanson take obediently take their spots.

The B team player again hurls the ball.

SMACK!! It nails Jordan in the stomach, sending him  
backwards into the wall.

STAN

WE'RE LOSING MEN FAST OUT HERE!!

Chef yells out some coaching tips.

CHEF

(still laughing)

Concentrate on your game... Be the  
ball...

The team B player lets one fly. It heads for Kyle's face,  
but at the last second, Kyle snags it from the air.

KYLE

I CAUGHT IT!! I CAUGHT IT!!!

CHEF

Great catch, Kyle! Now your team's on  
offense!!

KYLE

Here, pip, you throw.

Kyle throws the ball to Pip.

PIP  
Oh, no I couldn't.

KYLE  
Come on, limey! Don't be a wuss!

PIP  
But-

KYLE  
Are you just gonna be a little French  
pansy your whole life?!

PIP  
I'm not Fren-

KYLE  
Throw the ball you stupid frog!

Pip seems to be getting angry.

KYLE  
God damn, maybe if you didn't eat all  
those croissants you'd be able-

Suddenly, Pip throws the ball violently at Kyle. Kyle  
immediately crashes to the floor.

KYLE  
YOW!!!

Chef runs over.

CHEF  
Okay, that was pretty good, Pip, but  
you're supposed to hit kids on the  
other team.

Kyle gets up, holding his nose.

KYLE  
OW! My nose! You broke my nose!!

CARTMAN  
(To Pip)  
Damn, Pip, I didn't know you had it in  
you.

PIP  
Oh, I'm dreadfully sorry...

CHEF  
That nose is bleeding pretty bad,

Kyle. I think you might have to go to  
the Nurse's office.

MUSIC STING. Kyle looks horrified. All the children look  
horrified.

KYLE  
No... No it'll be okay...

CHEF  
Sorry, son. You'll have to let the  
nurse look at it. Come on.

Chef pulls Kyle away by the arm.

KYLE  
No! NOOooooo!!

CARTMAN  
Dude... He's going to the nurse's  
office.

CLYDE  
I heard the school nurse is hideously  
deformed!!

BEBE  
I heard she has tentacles and eats  
children for lunch!

Cartman slowly walks up to Stan, who is worriedly  
watching Kyle be dragged away.

CARTMAN  
Stan... Has anybody actually seen the  
nurse, and come back to tell about it?

STAN  
No, Cartman... Nobody ever has...

The two boys swallow hard.

EXT. NURSES OFFICE - DAY

Establishing.

INT. NURSE'S OFFICE - DAY

Kyle is sitting alone on the Nurse's operating table.  
Everything is silent and still...

Kyle looks scared shitless. He's shaking violently.

There is the smallest little BUMP. Kyle jolts and looks  
to his left where a little mouse scurries away. Kyle  
breathes a sigh of relief.

Then, he hears the door opening. CREEEEEEEEAAKKKK....

Kyle can't take it. He closes his eyes.

NURSE (O.S.)  
Are you Kyle Broflovski?

KYLE  
(Eyes still shut)  
Y-Yes.

NURSE  
I'm the school nurse. Did you hurt  
your nose?

KYLE  
Y-Yes.

NURSE  
Young man, why do you have your eyes  
closed? I'm not going to hurt you.

KYLE  
I know.

NURSE  
So open them.

The music builds and builds and finally reaches a climax  
as Kyle pops his eyes open.

Kyle smiles.

Standing before him, is a fairly attractive, quite normal  
looking woman in her late thirties.

Kyle's smiles widens and he takes a deep breath.

KYLE  
Oh, whew!!

NURSE  
Now what seems to be the problem?

KYLE  
Aw, I just hit my nose playing  
dodgeball.

NURSE  
Oh, well I'll get you an ice pack.

Now the nurse turns to her right. And Kyle sees, to his  
horror, that she has a small, dead fetus growing outside  
of her head.

KYLE  
AAAGHGHGHGHGH!!!!!!

Huge music STAB.

NURSE

What?

KYLE

AGHAGaGHGHGH!!!!!!

NURSE

Oh, I see you've noticed my disorder.  
I have a still born fetus growth  
attached to my head.

KYLE

AGAHAHAHAHAHGGHH!!!!!!

EXT. KYLE'S HOUSE - NIGHT

Establishing.

INT. KYLE'S HOUSE - NIGHT

All the boys are gathered around Kyle, who is relating  
his story.

KYLE

And when she moved up and down, the  
little fetus jiggled!!

BOYS

EW!!!

CARTMAN

Did it talk? The little fetus, did it  
talk?

KYLE

No, no. It looked dead!

BOYS

EW!!!

STAN

Was it wearing clothes?

KYLE

Dude, where is she gonna get fetus  
clothes?

STAN

Oh, yeah. EW!!!

BOYS

EW!!!

KYLE

And then she walked over to the-

KYLE'S MOTHER  
KYLE! THAT IS ENOUGH!!

The boys all snap their heads towards Ms. Broflovski, who is holding a large encyclopedia.

KYLE'S MOTHER (cont'd)  
I've been reading up on your poor nurse's condition, and it is nothing to be made fun of. It's called Conjoined Twin Msylexia.

CARTMAN  
Who the hell cares what it's called, as long as she doesn't touch me.

KYLE'S MOTHER  
Now that's just the kind of unawareness that we need to fight against. Sit down, boys.

The boys reluctantly sit. Ms. Broflovski sits in a chair with the encyclopedia entitled "Freaks A-Z" in her lap. MUSIC begins like it's storytime.

KYLE'S MOTHER (cont'd)  
You see, boys, sometimes when babies are born, they're born as twins. But sometimes the twins get hooked together, and they're born as 'Siamese Twins'.

She shows them a picture from the encyclopedia. (Use a real picture)

BOYS  
Gross!!

KYLE'S MOTHER  
But sometimes, after the Siamese twins are joined together, one of the twins dies before birth. The living baby is born with the dead baby still attached.

The boys look petrified.

KYLE'S MOTHER (cont'd)  
Sometimes this dead twin is inside the living person. So even YOU could have a dead twin inside you and not even know it!!!

Stan and Cartman SCREAM and run out the door.

KYLE'S MOTHER (cont'd)

So now that you are educated about her disease, you won't need to make fun of her, right Boobie?

KYLE

Uh... yeah.

Kyle's mother gets up and walks away. Kyle just sits there, scared stiff. He finally roles his eyes over to Kenny, who breaks out laughing.

Kyle doesn't laugh with him, so Kenny eventually stops.

INT. KYLE'S HOUSE - KITCHEN

Kyle's mom is in the kitchen cooking, as Kyle's father reads the paper at the kitchen table.

KYLE'S MOTHER

Can you imagine that poor, poor woman?

KYLE'S FATHER

(Not paying attention)

Mmm mm.

KYLE'S MOTHER

Feeling like an outcast, Being ridiculed every day...

KYLE'S FATHER

Mmm mm.

The phone rings. Sheila answers it.

KYLE'S MOTHER

Hello?

INT. STAN'S HOUSE - NIGHT

Stan's mother is on the other end.

STAN'S MOTHER

Hello, Sheila, it's Sharon, Stan's mother?

CROSSCUT

KYLE'S MOTHER

Oh yes, hello, Sharon.

STAN'S MOTHER

Sheila, I was wondering if you might

know why my son is trying to split his  
head open with an ice pick?

In the background, we can see little Stan going crazy.  
His father is holding him back.

STAN

No, no! I have to get it out!!

KYLE'S MOTHER

Well, Sharon, I was just trying to  
educate them about Conjoined Twin  
Myslexia

STAN'S MOTHER

So this IS your fault. Would you do me  
a favor? Next time you want to scare  
the hell out of my child just go  
outside and sit in the road until a  
truck runs you over instead.

Click.

Kyle's mother just thinks with the phone in her hand.

KYLE'S MOTHER

That does it. I must educate the  
entire town about this awful disease!!

KYLE'S FATHER

Mmm mm.

EXT. SOUTH PARK ELEMENTARY- DAY

Morning establishing.

INT. GYMNASIUM - DAY

The kids are all standing in their dodgeball uniforms,  
looking confused.

STAN

Dude, I don't get it. Why are we  
supposed to play dodgeball again?

CARTMAN

Yeah, I thought we only played on  
Fridays.

Chef comes running in with a piece of paper.

CHEF

Children! Great news! We've been asked  
to play in the State FINALS for  
dodgeball!!

Again the kids moan.

STAN  
Aw, do we have to?

KYLE  
Can't we just play with that big  
parachute again or something?

CHEF  
You don't understand, children! If we  
can win State, we can play in the  
nationals in Washington D.C.!!!

CARTMAN  
Hey! They have a zoo there!!

CHEF  
That's right! Now come on, we have a  
LOT of practicing to do!!!

The kids start to take their places.

STAN  
Aren't we supposed to have WON  
something in order to go to State  
Finals?

KYLE  
Hey, Pip, you want to be on my team  
again?

Pip looks absolutely thrilled.

PIP  
I'd love to!

CARTMAN  
Just try not to send anybody to that  
monster nurse this time Frenchy.

PIP  
Hey, I get quite disturbed when you  
call me that. You shouldn't make fun  
of foreigners. And besides, I hate  
French people.

Chef blows his whistle and a "B" team member hurls the  
ball and knocks Bebe out. The kids all laugh.

INT. PRINCIPAL'S OFFICE - DAY

Kyle's mother is sitting in the Principal's office with  
Principal Victoria and Mr. Mackey.

PRINCIPAL VICTORIA  
Well, Mrs. Broflovski, it certainly is  
a thrill seeing your cheery face

again. What seems to be pissing you off today?

KYLE'S MOTHER

Nothing is pissing me off. I just want to start a movement.

PRINCIPAL VICTORIA

Of course you do.

KYLE'S MOTHER

I want to talk to you all about your school nurse.

The Principal and Mr. Mackey exchange looks.

COUNSELOR

Uh, Nurse Gollem is absolutely qualified to-

KYLE'S MOTHER

No. no, no, I'm not upset about her. I want to make the public aware of her. Her disease should be brought to light, so that it can be understood rather than made fun of.

PRINCIPAL VICTORIA

Oh... And what disease is that?

COUNSELOR

Uh, Principal Victoria, Nurse Gollem has Conjoined Twin Myslexia

PRINCIPAL VICTORIA

What's that?

KYLE'S MOTHER

She has a dead fetus attached to her head.

PRINCIPAL VICTORIA

She does?!

COUNSELOR

You've never noticed that?

PRINCIPAL VICTORIA

No, I never did...

KYLE'S MOTHER

Well, that's exactly what I'm talking about. This poor woman is forced to live in the shadows because she feels like an outcast. It is up to US to make her feel comfortable and welcome in our town.

PRINCIPAL VICTORIA

Did you say a fetus? Sticking out from her head?

KYLE'S MOTHER

I want to invite your nurse to a dinner party at my house this evening. I'd appreciate it if both you and Mr. Mackey would attend.

COUNSELOR

Do we have to eat Kosher stuff?

PRINCIPAL VICTORIA

Well, I'll talk to Nurse Gollem, but I'm sure she'll be delighted. Let's say around eight?

KYLE'S MOTHER

Wonderful.

PRINCIPAL VICTORIA

Now you DID say she has a fetus on her head?

EXT. MOUNTAIN ROAD

The big yellow school bus drives down the road, past a sign that reads 'Denver - 45 miles'.

INT. SCHOOLBUS

Ms. Crabtree is at the wheel. Chef is in the front seat, and the boys are in the back.

CHEF

Okay, children, now WHO'S GONNA WIN THE STATE FINALS?!?!

The kids don't respond.

CLYDE

(Very softly)  
Denver?

CHEF

(Chanting)  
HERE WE GO CO-OWS, HERE WE GO, UH-UH!!  
HERE WE GO CO-OWS, HERE WE GO, UH-UH!!

Chef walks up next to the driving Ms. Crabtree.

CHEF

I think we need to get off on this exit...

MS. CRABTREE  
SIT DOWN, KID!!

CHEF  
But it's quicker to get to the Denver  
school THAT way!

MS. CRABTREE  
DO YOU WANT AN OFFICE REFERRAL?!?!

CHEF  
How many times do I have to explain  
this to you? I'm not a student, you  
can't give me an office referral, and-

MS. CRABTREE  
I SAID SIT DOOOOWWWNNNN!!!!

CHEF  
(Sitting quickly)  
Yes ma'am.

ACT II

EXT. DENVER PUBLIC SCHOOL

The school bus pulls up to the immaculate, glass  
building.

KYLE  
Woa, dude. This is a school?!

INT. DENVER PUBLIC SCHOOL

Tons of parents have turned out for the dodgeball State  
finals.

The coach of the Denver team walks over to shake Chef's  
hand.

DENVER COACH  
Hello, there. I'm Bob Thomas the coach  
for the Denver Cougars.

CHEF  
I'm Chef. Coach of the South Park  
Cows.

DENVER COACH  
Well, I certainly want to thank you  
for bringing your team down.

Apparently nobody else would play us because they know we'd just beat 'em silly. So I told the school board to find me some hick school from the mountains, and here you are. You're from South Park, yeah?

CHEF

Yeah.

DENVER COACH

My God, amazing where people can live nowadays. Well, we might as well get this over with, we gotta start thinking about D.C. Promise we won't make it too painful.

The coach slaps Chef on the back and trots away. Chef looks pissed.

REFEREE

Play ball!

EXT. KYLE'S HOUSE - NIGHT

Establishing

INT. KYLE'S HOUSE - NIGHT

Seated around the dinner table are Kyle's mother, Kyle's father, Principal Victoria, Mr. Mackey, Nurse Golleem, and the dead fetus.

Everybody just sits and eats, uncomfortably. Nobody says a word. Finally, Kyle's mother tries to break the ice.

KYLE'S MOTHER

So... Uh... Where did you get your degree, Nurse Golleem?

PRINCIPAL VICTORIA

Colorado State.

KYLE'S MOTHER

Oh...

PRINCIPAL VICTORIA

Ah...

More uncomfortable silence.

KYLE'S FATHER

Sheila, could you pass me the dead fetus - - I mean, gravy.

Kyle's mother smacks Gerald under the table.

KYLE'S FATHER

Ow!

EXT. DENVER PUBLIC SCHOOL

Establishing.

INT. DENVER PUBLIC SCHOOL

A WHISTLE blows, and Token is smacked in the head with the ball. He falls to the ground, bleeding. The parents in the stands cheer wildly.

That leaves only Stan, Kyle, Cartman, Kenny and Pip on the cows side and-

The entire Denver school team still standing on their end of the court.

CHEF

Dammit! Come on, somebody catch the ball!!

Behind Chef, all the kids sit looking like war victims.

DENVER COACH

Alright boys, just five more of the little bastards to go!

The cocky Denver player winds up to take another shot.

But this time, the ball sticks into Cartman's stomach. Cartman quickly puts his arms around it.

CARTMAN

I caught it! I caught it!

DENVER PLAYER

Aw, that's not fair! He's so fat it stuck in his belly!!

REFEREE

South Park on Offense!

CHEF

Great job children! Just stay focused now!

KYLE

Go for it, Pip.

Kyle tosses Pip the ball.

PIP

Oh, bother.

Pip looks at the ball like it smells.

KYLE  
COME ON YOU FRENCHY LITTLE FROG!!!

PIP  
GAAA!!

Pip hurls the ball. It knocks two Denver kids out at once.

CHEF  
WOA! Great shot, Pip!!

INT. KYLE'S HOUSE - NIGHT

The adults are still eating in uncomfortable silence.

Finally, Principal Victoria pipes up.

PRINCIPAL VICTORIA  
So, I hear that the South Park Cows  
are playing for State Finals in  
dodgeball tonight.

COUNSELOR  
Yeah... But it doesn't matter, though.  
The Denver team always wins, okay?

KYLE'S FATHER  
Oh, I don't know. I think our boys  
might just have the dead fetus to win.  
Heart!

Kyle's mother smacks Gerald so hard he falls out of his chair.

KYLE'S MOTHER  
GERALD!! KEEP YOUR DAMN MOUTH SHUT!!

NURSE  
It's okay, Ms. Broflovski, really.

KYLE'S MOTHER  
Please forgive us. I'm terribly  
sorry, Nurse Golleem.

NURSE  
No, I'm quite secure with it.

KYLE'S MOTHER  
I have felt so bad ever since I heard  
the boys making fun of you.

NURSE GOLLUM  
They're just young boys. Joking is a  
way for them to come to terms with  
what they don't understand.

COUNSELOR

Could I get some more pork?

PRINCIPAL VICTORIA

So did you ever think of just, you know, having it cut off?

NURSE GOLLUM

(With a sigh)

Yes, Principal Victoria, the thought had occurred to me. Unfortunately, it would mean my death.

PRINCIPAL VICTORIA

Oh, so I suppose that's out...  
How about a hat, then?

NURSE

No, really, I-

KYLE'S MOM

Yes, we could get you a FEW hats, and wear a different one every day, no big whoop.

NURSE GOLLUM

I really appreciate what you are trying to do here, but it's not necessary. I'm a pretty happy person.

KYLE'S MOM

I've got it!! We could set aside a whole WEEK to make the public aware of folks just like you!

PRINCIPAL VICTORIA

Ooh, yes, a 'Conjoined Twin Myslexia Awareness Week'. You know that has a nice ring!

NURSE

But I relly don't think-

COUNSELOR

The school could put out pamphlets, okay? and we could have seminars to educate, okay?

KYLE'S MOTHER

Oh, this is so exciting! I'm going to get the mayor on the phone RIGHT NOW!!

Kyle's mother, Principal Victoria and the Counselor all get up from their chairs and dash towards the phone.

Nurse Gollem sits for a few seconds, then looks at

Gerald, who fakes a smile.

INT. DENVER PUBLIC SCHOOL - NIGHT

Chef is standing next to the boys with the ball.

CHEF  
You just got one more, Pip...

We see that there is indeed only one Denver player left.  
He looks very nervous.

CHEF  
You get this kid and we're State  
Champions.

Chef walks away.

CARTMAN  
Yeah, and if you don't... You're a big  
dumbass European Hippie piece of crap.

Pip stares the Denver player down. The Denver player gets  
in a stance, starts to look confident.

Pip winds up to take the shot-

KYLE  
Get 'em Frenchy!

PIP  
GAAA!!

The ball soars into the poor Denver player's mouth. In  
slo mo we see the little kid get bathed in blood and fly  
unconscious to the hard ground.

REFEREE  
SOUTH PARK WINS!!!

CHEF  
We did it children!! We did it!! We're  
going to Washington D.C.!!!

The South Park kids all fall down and moan from pain and  
exhaustion.

Two paramedics dressed as clowns appear with a stretcher.

DENVER PLAYER  
(Crying horrifically)  
OWIIIEE!!! MOMMY IT HURTS!! IT HURTS!!

They load the kid on the stretcher, but then walk off  
with just the stretcher not the kid. The crowd cheers  
with delight as the Denver coach looks on with disbelief.

CHEF

Oh, sorry about whooping your ass  
there, Coach!

(Singing)

Ooh baby, come on, just whooped  
Denver's ass. Gonna need some cream  
for your ass. It's turnin' red.

EXT. SOUTH PARK - DAY

The large stage (from Weight Gain 4000) is again set up  
in the middle of town.

The Mayor addresses the large crowd of townspeople.

MAYOR

Ladies and gentlemen, this is indeed a  
great week for South Park. Ms. Hermans  
has opened the East wing of the  
library, and our own South Park Cows  
Elementary school dodgeball team is  
going to the national finals! Where  
they will undoubtedly be beaten  
senseless by the Washington team.

The townspeople cheer.

MAYOR

But most importantly, this week has  
brought to my attention a very serious  
and dreaded disease. Conjoined Twin  
Myslexia.

Kyle's mother nudges his dad.

MAYOR

And so it is in honor of this, that I  
declare this exciting week as  
'Conjoined Twin Myselxia Week'!

The crowd cheers.

MAYOR

And now, let's kick off our week long  
festivities with the first annual  
'Grand Conjoined Parade'!

PARADE MUSIC begins. We can see a parade route, and  
everybody standing on the sidewalks to get a view.

MAYOR

Let's hear it for these brave souls!!

The parade music gets louder, and Nurse Gollem, all by  
herself, walks through frame, waving to a couple people  
halfheartedly.

As she walks out of frame, the parade music gets softer.

MAYOR

What a glorious parade that was!!  
Let's hear it for the parade  
coordinators!!

The mayor gestures to about eleven guys in suits, who stand up and take a bow. Everyone applauds.

NURSE

You know, Mayor, I really should be  
accompanying those kids to Washington  
in case they get hurt. That IS my job.

MAYOR

Nonsense! This is YOUR week! You  
aren't going anywhere!

INT. SCHOOLBUS

Ms. Crabtree drives the kiddies again.

CHEF

How much further is Washington D.C.?

MS. CRABTREE

SIT DOWN KID!!

CHEF

I need to know how far it is, lady!!

MS. CRABTREE

I SAID SIT DOWN!!!

CHEF

Yeah, whatever, you old dried up fat  
hog.

MS. CRABTREE

WHAT DID YOU SAY?!?!

CHEF

I said 'I've always wanted to visit  
Prague'.

MS. CRABTREE

Oh, me too.

Meanwhile, the boys are in the back of the bus.

STAN

Okay, what have you got?

Kyle looks through his brown paper bag.

KYLE

Some hadkafish... Some Gafagga...

CARTMAN

I got a jelly roll! I got a jelly roll!!

STAN

Sweet! A jelly roll is perfect!!  
Places!!!

Kyle holds one side of a rod, Cartman holds the other.  
Stan loads the pie into onto the rubber band like a giant sling shot.

Stan lets it go - Ms. Crabtree gets SMACKED in the back of the head with the Jelly roll.

MS. CRABTREE

OW!!

Her face hits the windshield. The bus swerves out of control.

BOYS

Woa!!

EXT. WASHINGTON D.C.

Establishing. The school bus drives in and plows right into the side of the Vietnam memorial.

EXT. ULYSSES S. GRANT ELEMENTARY

A lot of people have showed up for the big game.

Chef and the kids walk in to the large, decorated auditorium.

CHEF

Damn man, this is the big time  
alright...

STAN

Chef, we're hungry.

CHEF

You can eat after the game. You children win this one and your national champions! Then you go on and play the Chinese.

CARTMAN

My mom says there's a lot of black people in China.

CHEF

What?

But Chef is interrupted by a geeky looking referee.

REFEREE

Are you Chef?

CHEF

Yeah.

REFEREE

The Washington team has forfeited the game. Congratulations, you're national champions.

CHEF

What?! WE DID IT, CHILDREN WE WON!!

TRIUMPHANT MUSIC.

KYLE

Wow, that was easy.

The crowd boos.

ANNOUNCER

Ladies and Gentlemen, let's hear a round of applause for the new national champions of dodgeball... THE SOUTH PARK COWS!!!

Everyone Cheers halfheartedly.

Stan and the boys walk over to the Washington bench, where all the kids are getting ready to leave.

STAN

Hey, why did you guys forfeit?

WASHINGTON KID

You mean you don't know?

KYLE

Know what?

The lights dim... OMINOUS MUSIC begins.

WASHINGTON KID

Last year's national champions were the Austin Pirates. They played China for the world championship... Only four of them came back alive.

The boys eyes pop.

WASHINGTON KID

The Chinese dodgeball players aren't like us...

EXT. CHINA SCHOOL

INT. CHINA SCHOOL

The Chinese children, (who all look alike, naturally) are dressed in little red uniforms. They do their exercises preparing for the big game.

CHINESE COACH

Pur chyang ler sher!! Won ton pooya

WASHINGTON KID (V.O.)

They do nothing but dodgeball day in,  
and day out. They use steroids and  
advanced training equipment to make  
them not kids, but animals...

The kids work harder and harder. A Chinese man in a white coat walks up and down giving the kids steroid shots in the arm.

INT. WASHINGTON D.C. - GYMNASIUM

The boys are listening with horror.

WASHINGTON KID

Well, good luck. We've got our futures  
to think about.

The Washington kids leave.

CHEF

(Happily)  
Okay children, back in the bus!

ACT III

INT. MAYOR'S OFFICE - NIGHT

There is a large banquet hall in the Mayor's building. It is quite large, and has lots of round tables with

immaculate place settings.

Everybody is dressed formally in black tie and dresses.

MAYOR

And so, at this honorary dinner, we  
take a look back at our beloved Nurse  
Gollem and the brave life she has  
lived. Roll the tape please, Mr.  
Garrison.

Nurse Gollem is sitting at a table looking embarrassed.

NURSE

Oh no...

Mr. Garrison, in his tux with a fetus on his head, turns  
on a projector. The film begins

SCREEN

A title comes up 'CONJOINED COURAGE: The life of Nurse

OFFICER BARBRADY

Oh that was so touching.

MAYOR

is...

She opens an envelope.

NURSE

(knowing what's coming)  
Nurse Golleem.

MAYOR  
(Reading envelope)  
NURSE GOLLEM!!!

Glorious music begins everybody applauds. A spotlight hits the nurse.

NURSE  
Oh boy...

But just then, Jimbo runs up to the podium.

JIMBO  
Excuse me Mayor, but I just received some news you might all be interested in. Our South Park cows have just BEATEN the Washington dodgeball team, and are on their way to the WORLD CHAMPIONSHIP IN CHINA!!!

The room erupts with cheers.

INT. SCHOOL BUS - DAY

The school bus makes its way down a nondescript road.

CHEF  
Okay children, now we're almost to China. I want you all to try and focus on your game.

STAN  
But Chef, we don't WANT to play the Chinese!

CHEF  
Nonsense! If we win this one we're WORLD CHAMPIONS!!

KYLE  
But we could get killed!

CHEF  
And what price would you pay for eternal glory? Just imagine a big yellow 'dodgeball champions' banner hanging in the cafeteria! Imagine it!!

STAN  
Dude, Chef has lost it.

CHEF  
It'll be on the news all over the

world! South Park will finally have a sport that its good at! Oh children, it'll be glorious!

CARTMAN

So, Captain Ahab has to get his whale, huh?

Chef stops and looks at Cartman.

KYLE

Dude what does that mean?

Cartman shrugs.

CARTMAN

I don't know.

STAN

Hey, isn't that kid Kevin Chinese?

Kevin, who looks just like any other kid but with black hair, turns around.

KYLE

Yeah, you're from China!

KEVIN

No, I'm from AMERICA. My PARENTS are Chinese.

STAN

Tell us how the Chinese play dodgeball.

KEVIN

I have no idea, dude.

CARTMAN

Come on, ricepicker!

CHEF

HEY, HEY, HEY!!!!!!

Silence.

CHEF

Children, that's NOT COOL. You don't make fun of somebody because of their ethnicity

STAN

You don't?

KYLE

But Chef, YOU just ripped on Chinese people.

CHEF

No,no,no,no,no that's different. I made fun of them because they are FROM China. You see, it's NOT okay to make fun of an American because they're black or brown or whatever, but it IS okay to make fun of foreigners because they're from another country.

KIDS

Ohhh...

KEVIN

Yeah!

EXT. CHINA SCHOOL - DAY

The big, yellow school bus pulls up in front of the shitty little Chinese school.

INT. CHINA SCHOOL

All the Chinese parents are gathered on one side of the gym.

CHINESE ANNOUNCER

It is a with great pride, that we welcome our American friends. Now, let the champions of dodgeball be decide!

Chinese music and pageantry begins. Gongs and whistles, woman throwing silk.

STAN

Damn, dude. China is fucked up.

REFEREE

TAKE PLACES!

The cows go to their end of the gym. Chef goes to the sidelines.

CHEF

ALRIGHT, LET'S GO COWS! LET'S SHOW 'EM WHAT WE GOT!!

Two Chinese announcer guys are in a booth, just like the two white guys in Big Gay Al's.

CHINESE SPORTSCASTER

Okay, Tom rooks rike the Americans are getting ready to play... I don't suppose they'll have any problems SEEING the ball with their BIG American Eyes!

The two sportscasters laugh.

CHINESE SPORTSCASTER 2  
Yea! Good thing they have those big  
eyes so they don't have to rely on  
that AMAZING AMERICAN INTELLECT!!

The laugh even harder.

CHINESE SPORTSCASTER  
Oh, you say such things.

CHINESE SPORTSCASTER 2  
That's a zinger!

REFEREE  
PLAY BALL!!

The Chinese player hurls the ball like a bolt of  
lightening.

It hits Clyde between the eyes, flipping head over heels  
right off the playing field.

CHEF  
Holy crap...

Another Chinese player throws the ball. Again the speed  
and accuracy is amazing. It knocks Kyle in the balls.  
Kyle doubles, over holding himself.

Before he can recover, the Chinese player again launches  
the ball, the time hitting Kyle right between the eyes.  
He falls to the ground.

CHEF  
God damn...

CHINESE SPORTSCASTER  
Hey, hey, what you call white American  
person with P.H.D. in Physics and  
math?

CHINESE SPORTSCASTER 2  
I don't know, what?

CHINESE SPORTSCASTER  
Stupid American!

The two sportscasters laugh merrily.

The Chinese player hands the ball to another teammate.  
This Chinese kid winds up and throws a ball at Cartman.

CARTMAN  
AAGH!

Cartman tries to run, but the ball catches him in the back, knocking him head over heels.

ANNOUNCER

OH! Another American is down! It's,  
number...uh... Oh I don't know all  
Americans look alike!

They laugh merrily.

Another ball is quickly launched. This one hits Kenny dead on, blowing him backwards into the cement wall, where he breaks every bone in his body and sticks like a wet sponge.

STAN

OH MY GOD THEY KILLED KENNY!

Kyle is still lying on the floor, but manages to barely lift his arm. We don't even see his face.

KYLE

(Weakly)  
you... bastards...

Another Chinese player lines up.

CHINESE ANNOUNCER

Oh my, I haven't seen an American die  
like that since Abraham Lincoln!

CHINESE ANNOUNCER 2

Dude! That is not cool. You're gonna  
get us into trouble again!

EXT. SOUTH PARK - DAY

On the stage, the Mayor again takes her place at the microphone.

MAYOR

Ladies and gentlemen, on this fourth  
day of Conjoined Twin Myslexia week,  
all our prayers are with our little  
South Park Cows now playing their  
hearts out in China. Now, join me in  
saluting our Cows, and help make Nurse  
Gollem not feel like an outcast, with  
our first official CONJOINED TWIN  
MYSLEXIA HATS!!

The mayor puts a hat on her head, that says 'go cows' and also has a large plastic fetus hanging off the side.

The townspeople follow suit, putting on their ridiculous looking hats. Now everybody has a little fetus hanging off their head.

Nurse Gollem can't believe her eyes.

EXT. CHINA SCHOOL

Establishing. Time passes.

INT. CHINESE GYMNASIUM - DAY

Chef is standing on the sidelines looking desperate. All the South Park players are on the bench behind him, looking in desperate need of medical attention.

ANNOUNCER

And there is only one South Park player left. Still all Chinese players... This should be over very shortly.

The Chinese players all smirk and take aim at poor, lonely, scared shitless Pip.

The Chinese players wait for Pip to throw the ball.

CHINESE PLAYER #1

Come on! Throw Ball!

ANNOUNCER #2

Hey, you wanna hear my impersonation of American?

ANNOUNCER

Yeah! yeah!

ANNOUNCER #2

Okay-

(American accent)

Hey I really really want that, that looks good.

The announcers laugh their asses off.

ANNOUNCER

Hey, hey, hey, let me try, let me try.

(American accent)

I'll use my Credit Card.

They laugh even harder. They fall out of their chairs.

ANNOUNCER

Do you have any non-dairy creamer?

ANNOUNCER #2

Yes!!!! Yes!!!!!!..... Y'all come a back now ya hear.

Chef looks around sadly at his beaten little players.

CHEF

Oh what have I done?

Cartman pulls up a seat next to Chef and starts eating a tootie bar.

CHEF

You know, Eric... I just realized something. I've been obsessed. And obsession isn't good.

Cartman looks at Chef, smacking his lips.

CHEF

If we had won the world championship... What then? It would only be a bigger let down the next year if we DIDN'T win.

Cartman says nothing.

CHEF

Our lives would have to revolve around dodgeball... Our lives were fine before.

Cartman scratches his ass and farts.

Meanwhile, little Kevin quietly walks over to the Chinese team.

Chef stands up and addresses his beaten players.

CHEF

Oh, I'm sorry children. I let it all go to my head. Can you ever forgive me?

CHEF

Come on, forget this stupid game. Let's go home!

On the field, Pip is standing with the ball facing the plethora of Chinese players. Pip still looks extremely nervous.

CHINESE PLAYER #1

COME ON THROW BALL!!

Kevin walks up to the Chinese player and whispers in his ear.

KEVIN

Hey, if you want to make him throw the ball, say this.

Kevin hands the Chinese a piece of paper.

CHINESE PLAYER #1  
Thanks. You American dumb ass.

Kevin walks away.

CHINESE PLAYER #1 (cont'd)  
(Reading)  
YOU FRENCH PIECE OF CRAP! THROW BALL!!

Pip's eyebrows raise.

CHINESE PLAYER #1  
WHAT'S MATTER FRENCHY?! YOU GOT CREPES  
IN YOUR EARS?!

The Chinese players all laugh. Pip turns red and starts to shake. Another Chinese player grabs the piece of paper and reads off of it.

PIP  
AAAAAAGHGHGHGHGH!!!!!!!!!!

Pip spins around and around. He becomes like a starburst of energy.

The Chinese kids look nervous, as Pip let's the ball fly. It bounces around the entire gym, knocking down every Chink in its path.

The Chinese kids all scream in pain and fall to the ground.

As Pip's violent fury ends, not a single China player is standing.

ANNOUNCER  
AND WINNER IS SOUTH PARK COWS!!

Chef can't believe it. VICTORY MUSIC begins.

PIP  
Everyone, everyone look, I won the game. we're world champions! Mr. Chef, Mr. Chef, South Park is the World Champion in dodgeball. Oh glorious day.

CHEF  
Shut up Pip.

The kids all moan.

STAN  
Yeah, shut up pip. Can we go home

now?

PIP

Did you all see? I can't believe I  
threw such a ball with my own arm. It  
was....

KIDS

SHUT UP PIP!

#### EPILOGUE

The Mayor's voice chimes out from the P.A.

MAYOR

As this year's Conjoined Twin Myslexia  
Awareness week draws to a close, I  
would like to personally thank all of  
you for your enthusiastic cooperation.  
Now let's hear it ONE MORE time for  
our WORLD CHAMPION South Park Cows!!!

The townspeople cheer with fetuses attached to their  
heads.

The boys, all still bandaged and bruised look confused.

KYLE

What the hell is everybody wearing on  
their heads?

Stan shrugs.

MAYOR

And now let's hear from the woman of  
the week! The incredible, courageous  
NURSE GOLLEM!!!!!!

The townspeople all cheer again as Nurse Gollem takes the  
stage.

KYLE

AAAGHHH!!!

STAN

DUDE IT'S THE FREAK NURSE!!

CARTMAN

HOLY CRAP!!

KYLE'S MOTHER

Dammit, Kyle! We've been working all  
WEEK against that kind of behavior!!

KYLE

Well, sorry, dude, we weren't here.

Nurse Gollem takes the stand.

NURSE

Thank you, Mayor... I, uh... I don't know what to say, this has been quite a week.

Kyle's mom wipes a tear from her eye.

KYLE'S MOTHER

She's really touched.

NURSE

What I really want to say is... Well, this may sound odd coming from a woman with a fetus sticking out of her head, but you're all a bunch of freaks.

Everyone looks surprised.

MAYOR

Uh.. freaks with big hearts. And now -

NURSE

Don't you realize that the last thing I ever wanted was to be singled out? I just wanted to do my job and live my life like any normal person, but instead you've made everybody focus on my handicap all week long.

Everyone looks at each other.

NURSE

Look, I don't want to be treated different. I don't want to be treated special. Or treated gingerly. I just want to be ridiculed, shouted at and made fun of, like all the rest of you do to each other. And take those stupid things off your heads.

Nurse Gollem walks away, leaving the whole town to sit in silence with their fetus masks.

Just keep cutting to different groups of people, all of whom feel ridiculous and have nothing to say.

PRINCIPAL VICTORIA

Oh my, what an ungrateful bitch.

KYLE'S MOTHER

Yeah, the nerve of some people.

KYLE

Hey! You know that nurse is actually pretty cool!

STAN

Yeah, maybe that dead fetus makes her smarter.

CARTMAN

I love you guys..... Oh screw you guys!
