Establishing.

INT. HOSPITAL - DAY

Shelley is lying in a hospital bed, hooked up to a few gizmos and looking pissed off.

The Doctor and Stan's mother are talking away from the bed.

DOCTOR
It's a good thing we got her to the hospital in time.

STAN'S MOTHER
But what's wrong with her?

DOCTOR
It's Chickenpox. There seems to be a small epidemic going around. You daughter never had the chickenpox as a little girl I take it?

STAN'S MOTHER
No, no she's been perfectly healthy.

DOCTOR
Well, that's the problem. You see, chickenpox is pretty normal thing with young children, but as you get older, it becomes more and more a ferocious disease.

Stan walks into the room.

STAN'S MOTHER
Shelley, look who's come to visit you. Your little brother, Stan.

SHELLEY
Oh whoopee.

DOCTOR
You know, most people don't realize that Chickenpox is actually a form of Herpes.

Stan walks over to his sister.

STAN
Dude! You got herpes on your face!

SHELLEY
Shut up, brat!

STAN'S MOTHER
Will my daughter be okay?

DOCTOR
She'll be fine.

Stan puts his hand on Shelley's arm.

SHELLEY
Stop it!

DOCTOR
We just want to be cautious and monitor
her here.

Suddenly they hear a thunderous CRASH. They look over to see
Stan knocked over into the machinery, lying upside-down.

STAN'S MOTHER
Come on, Stanly, give your sister a kiss
and then we have to go.

EXT. KYLE'S HOUSE - DAY

Establishing.

INT. KYLE'S HOUSE - DAY

Kyle's mother, Stan's mother and Cartman's mother are seated
around the dinner table having coffee.

STAN'S MOTHER
And then the doctor said that it's much
worse as you get older. My daughter is in
pretty bad shape now, but if she were in
her twenties, she could DIE.

KYLE'S MOTHER
My God, I never knew chickenpox was such
a dangerous illness.

CARTMAN'S MOTHER
I guess it's much better to get it when
you're young.

STAN'S MOTHER
So, tell me if I'm crazy, but I started
thinking that we should intentionally
have our boys play with a child who has
the chickenpox. Let them get it now while
they're young.

KYLE'S MOTHER
That's not crazy at all, Sharon, mothers
do it all the time.

CARTMAN'S MOTHER
Oh yes, when I was a child my mother had
me go over to a little girls house who

had the chickenpox, just so I would get it.

STAN'S MOTHER

So it's not such a crazy idea after all!

KYLE'S MOTHER

No, no... And I'm pretty sure that that strange little boy Kenny has the chicken pox right now.

Just then, the boys walk in.

KYLE

Are you guys having a meeting or something?

KYLE'S MOTHER

How would you boys like to have a little slumber party at your friend Kenny's house tonight?

CARTMAN

No way, dude. Kenny's family is poor. They live in the ghetto.

KYLE

Yeah, let's just have a slumber party here.

STAN'S MOTHER

Boys, you're going to sleep over at Kenny's, and that's final.

CARTMAN

Aaw, weak.

EXT. SOUTH PARK - DAY

The boys walk past their identical looking houses.

KYLE

I wonder why our mom's want us to sleep over at Kenny's so bad.

STAN

Yeah, it's pretty weird.

KYLE

All I can say is he better have Nintendo.

The boys cross some railroad tracks, and suddenly find themselves in the poor part of South Park; Kenny's house.

KYLE

Well, here's Kenny's house.

CARTMAN

(Singing)

In the Ghetto
On a cold and grey Chicago morn
Another little baby child is born
In the ghetto
In the ghetto...

EXT. KENNY'S HOUSE - DAY

Stan knocks on the door, and Kenny's dad opens it.

KENNY'S DAD

Yeah?

STAN

We're here to have a slumber party with
Kenny.

KENNY'S DAD

What? Don't you know Kenny's sick with
the-

Suddenly, Kenny's mom appears and elbows dad in the ribs.

KENNY'S MOM

That's the whole point, remember? Their
mom's WANT them to catch it while they're
young.

KENNY'S DAD

Oh yeah.

STAN

Catch what?

KENNY'S MOM

Nothing. Come on in, I was just making
dinner.

INT. KENNY'S HOUSE - DAY

The boys walk through Kenny's poor, meager house.

CARTMAN

(Singing)

And his momma cries...
'Cause if there's one thing that she
don't need It's another little hungry
mouth to feed.
In the ghetto,
In the ghetto...

STAN

Shhh! Cartman!

CARTMAN

What?

KENNY'S MOM

Kenny! Your little friends are here! Come play with them!

KENNY

Mph rmph rm rmph!

KENNY'S MOM

I know you're sick! Now get your bunz out here!

KYLE

(giggling)

Bunz.

Kenny walks out with his little pock-marked face.

KENNY

(Hey guys what's going on)

Mph rm, rm rmph rm.

KYLE

Woa, dude, you got the herpes on your face too!

CARTMAN

(Looking around)

Where is the Nintendo?

KENNY'S DAD

We don't have a Nintendo. We've got a calecovision plugged into the black and white TV.

KYLE

Oh My God... This is like a third world country.

KENNY'S MOTHER

Throw your sleeping bags in Kenny's room and then come grab some dinner.

CARTMAN

Oh good, I'm starving!

INT. DINING ROOM - NIGHT

The same dining room from Starvin Marvin. The family and the boys are seated around the table, which has just plates and a toaster in the middle.

The boys look at each other quizzically.

KENNY'S MOM

Let's say grace.

Kenny's family all fold their hands. Stan and Kyle look at each other, then follow suit. Cartman just sits there.

KENNY'S DAD

Lord, we thank you for this staggering payload of frozen waffles you have bestowed upon us. And since we have been FAITHFUL to you, we KNOW that you WILL send us some good fortune one of these days. Even though you sure as hell seem to be taking your sweet time. Amen.

KENNY'S FAMILY

Amen.

CARTMAN

(That was stupid)
Pf.

KENNY'S MOM

Okay, let's dig in.

Kenny's mom grabs a frozen waffle and sticks it in the toaster.

KENNY'S BROTHER

That one's mine! That one's mine!

CARTMAN

What kind of side dishes will we be enjoying this evening with our frozen waffles?

Everyone just looks at Cartman.

CARTMAN

Am I to understand there will be no side dishes?

Kenny's dad takes a swig of scotch.

KENNY'S DAD

So, Kyle, your dad still bringing home those big, fat lawyer paychecks?

KYLE

I dunno.

KENNY'S MOM

Stewart, don't even get started.

KENNY'S DAD

What? I'm just asking a question.

(To Kyle)

You know, your dad and I used to be best friends when we were teenagers. We even

worked together at Pizza Shack. But HE got promoted and went off to community college, and I didn't and you know why? Cuz your dad's Jewish!

Kyle looks confused.

CARTMAN

I heard that.

KENNY'S MOM

That ain't why, Stewart! It's because YOU are an alcoholic retard and HE had dreams of NOT eating frozen waffles for dinner every night!!

KENNY'S DAD

Hey, is it my fault you don't know how to cook?

KENNY'S MOM

What am I supposed to do with frozen waffles, clamhead? You put 'em in the toaster, you cook 'em.

KENNY'S DAD

You just don't know how to use spices and stuff.

The waffle pops out the toaster.

KENNY'S BROTHER

My waffle's done! My waffle's done!

KENNY'S MOTHER

Now Kevin, we ain't got enough for everybody, you have to split that with your brother.

CARTMAN

Oh Jesus, are you fucking kidding me?

KENNY'S DAD

Hey, we don't say fuck at the table you little asshole.

CARTMAN

(Quietly)

Hey, we apparently don't say 'side dishes' either.

Kenny sneezes out towards the table.

KENNY'S MOM

Kenny, if you're gonna sneeze, sneeze on them.

STAN

Huh?

The boys look at her, puzzled. Kenny sneezes again, right on the boys.

CARTMAN

AY!

INT. KENNY'S HOUSE - NIGHT

The boys go into Kenny's room, which is small and trashy like the rest of the house.

CARTMAN

Man, your family sucks ass, Kenny.
Whoever heard of frozen waffles for
dinner?!

KYLE

Come on, let's just get in our sleeping
bags and get this night over with.

Stan unrolls his sleeping bag. It has a huge picture of
Terrance farting on Phillip and says 'The Terrance and
Phillip Show'.

Kyle unrolls his sleeping bag and it has a picture of
Terrance and Phillip looking around and says 'We're Looking
for Treasure!'

Cartman unrolls his sleeping bag, and it has a big picture of
Erkel from 'Family Matters'.

KYLE

Cartman, what the hell is that?

CARTMAN

It's my Erkel sleeping bag. Isn't it
cool?

KYLE

No it's not cool!

STAN

Dude! I think I just saw a rat!

CARTMAN

Agh, you have rats in your house too,
Kenny?!

KENNY

(Uh-huh)
Mph-mpH.

CARTMAN

Dude, seriously, you better stop being so

poor or else I'm gonna start huckin'
rocks at ya.

STAN

I don't think it's very healthy to sleep
with rats.

KENNY

Mph rmph rm. Rmphm rm rmphm rm.

STAN

Oh.

The boys get in to their sleeping bags. The lights go off,
but we can still make out the room with the moonlight.

Kenny's sneezes.

EXT. SOUTH PARK - MORNING

Establishing. MUSIC STING.

INT. STAN'S HOUSE - DAY

Stan is sitting on a chair with a thermometer in his mouth.

STAN'S MOTHER

Okay, lemme see.

Stan's mother takes the thermometer out and reads it.

STAN'S MOTHER (CONT'D)

Oh goodie! You've got a fever!

STAN

Goodie!? What do you mean Goodie?!

Stan's mother examines Stan's face.

STAN'S MOTHER

Yup, it looks like you've got chickenpox
alright!

STAN

Chickenpox?! Oh, no! I must've caught it
from Kenny last night!

STAN'S MOTHER

Oh gee, I guess you did!

STAN

Well you sure seem happy about it!

STAN'S MOTHER

Alright, it's off to bed with you, young
man.

EXT. CARTMAN'S HOUSE - DAY

Establishing.

INT. CARTMAN'S HOUSE - DAY

Cartman is sitting on the couch in front of the television with marks all over his face.

Cartman MOANS and starts scratching. Cartman's mother walks in and pulls his hand away.

CARTMAN'S MOTHER
Don't scratch it, hon.

CARTMAN
(Whining like a pig)
But mom, seriously, it itches, I can't stand it.

Cartman goes to scratch again. Again his mother pulls his hand away.

CARTMAN'S MOTHER
No, hon!

CARTMAN
Mom! Seriously! No! It itches too bad!!

Cartman's mom pulls out a pink bottle.

CARTMAN'S MOTHER
Here, I got you some Calamine lotion.

CARTMAN
I don't wanna!

CARTMAN'S MOTHER
It'll make the itchies go away.

Cartman continues to WHINE as his mom pours some lotion on her hand and wipes a little on Cartman's face.

Suddenly, Cartman stops whining.

CARTMAN
Hey! Give me that!

Cartman grabs the bottle and pours a bunch in his hand. He wipes it all over his face until it's completely covered in pink.

CARTMAN
Ahhh...

CARTMAN'S MOTHER
Not too much, hon. It says on the bottle

that too much can be bad.

CARTMAN
More Calamine lotion!!

EXT. KYLE'S HOUSE - DAY

Establishing.

INT. KYLE'S HOUSE - DAY

Kyle's mother is holding Kyle's face in her hands and examining him. Kyle's father is standing nearby.

KYLE'S MOTHER
(To Kyle's dad)
I don't understand it. He's perfectly healthy.

KYLE
Yeah! I feel great!

KYLE'S MOTHER
Are you SURE you stayed over at Kenny's house?

KYLE
Yeah, dude, I told you, we had bread sandwiches for breakfast.

KYLE'S MOTHER
Did you sleep in the same room?

KYLE
Yes. ...Why?

KYLE'S MOTHER
Bobie... How would you like to spend the night at your friend Kenny's house again?

KYLE
No way, dude! It sucked ass! They don't even have cable!

KYLE'S MOTHER
Well I think you need to spend more time with your friends.

KYLE
Kenny's not really my friend, ma, I don't give a rat's ass about him!

KYLE'S MOTHER
I'm gonna give Ms. McCormick a call...

KYLE
Aw!

Kyle's mother walks away.

KYLE

Hey dad, is it true that you and Kenny's dad used to be best friends when you were young?

KYLE'S DAD

Who, Stewart? Yeah, yeah I guess we were.

KYLE

Well, how come Kenny's family eats frozen waffles for dinner and has rats on the floor, and we have a big house and lots of food?

KYLE'S DAD

Well, because Kenny's family doesn't have as much money as we do.

KYLE

But why? If they're hungry and poor, why don't we just always give them half of OUR food?

Kyle's dad bursts out laughing.

KYLE'S DAD

Oh, boy have YOU got a lot to learn!

Kyle's dad sits down and pats his knee.

KYLE'S DAD

Sit down, son.

Kyle gets up on his fathers lap.

KYLE'S DAD

You see, Kyle. We humans work as a society. And in order for a society to thrive, we need Gods and Clods.

KYLE

Gods and clods?

KYLE'S DAD

Yes, you see, I spent a lot of time going to law school, and I was able to go because I have a slightly higher intellect than others. But I still need people to pump my gas, and make my french fries, and fix my laundry machine when it breaks down.

KYLE

Oh I see... Gods and Clods.

KYLE'S DAD

That's right. So Kenny's family is happy just the way they are, and we're all a functioning part of America.

INT. STAN'S HOUSE - NIGHT

Stan is lying in bed. His mother walks in the room.

DOCTOR

Can I talk to you outside?

STAN'S MOTHER

Kids, daddy and I are gonna be right back okay?

STAN

Okay.

Stan's parents walk out.

SHELLEY

Serves you right, you little brat.

STAN

Well at least I'm not gonna DIE from it like you might! Ha ha ha!

SHELLEY

If I die from this, I'm taking you with me.

Stan looks concerned.

Shelley goes back to watching a Soap Opera on the T.V.

STAN
I don't wanna watch this! I wanna watch Terrance and Phillip!

SHELLEY
We're watching THIS.

STAN
Well I'VE got the remote, bitch. Ha HA!

Stan changes the channel to Terrance and Phillip.

ANGLE - TELEVISION

PHILLIP
Say Terrance, would you check my ass for abnormalities?

TERRANCE
Sure thing Phillip!

Terrance looks at Phillip's ass. Phillip farts in his face.

TERRANCE
AGH! You got me again!

PHILLIP
That's Tom Foolery!

RESUME - STAN

STAN
Ha ha ha!

SHELLEY
Gimme the remote!

STAN
No way dude! We're gonna watch Terrance and Phillip all da-

Shelley reaches over and grabs Stan's bed's remote. She hits a button on it, and Stan's bed folds in half, smothering Stan inside.

STAN
(From inside the bed)
OW!! GET ME OUTTA HERE!

Stan's arm is sticking out of the mattress with the remote in

hand. Shelley reaches over and plucks it out.

Shelley switches the channel and lays back again.

EXT. RIGHT OUTSIDE THE ROOM - DAY

The Doctor stands with the parents.

DOCTOR

He'll be okay, but it's a good idea for us to monitor him for a while.

STAN'S MOTHER

Oh God, what have we done?

DOCTOR

There, there, now. It's not your fault.

STAN'S FATHER

Doctor, we purposefully sent our son to stay with a friend who had chicken pox so that he would get it early.

DOCTOR

Ooh, wow... You did? Wow... You guys suck.

The doctor walks away. Stan's mother and father exchange looks, and then walk back into the room.

EXT. KENNY'S HOUSE - DAY

INT. KENNY'S HOUSE - DAY

Kenny's mother and Kyle's mother are at the table, apparently drinking coffee.

Kyle and Kenny walk up.

KYLE

Can we go home now, Mom?

KYLE'S MOTHER

No, boobala, you play with Kenny some more.

KYLE

But we've been playing for eight hours!! We can't think of anything else to do!

KYLE'S MOTHER

I've got a great game for you. It's called Ookie Mouth.

KYLE

What's ookie mouth?

KYLE'S MOTHER

First you let Kenny spit in your mouth.
Then you try to swallow his spit and say
'Ookie Mouth' at the same time.

KYLE

Sick, dude!

KYLE'S MOTHER

Oh no Boobie, it's loads of fun. Try it.

Kyle and Kenny shrug and walk away.

KYLE'S MOTHER (CONT'D)

That otta take care of it.

KENNY'S MOTHER

You want some more hot water?

KYLE'S MOTHER

Oh, no thank you. It's terrific, though.
You don't have any teabags or coffee
grounds to go in the hot water do you?

KENNY'S MOM

Naw, we don't care for that hoity toity
rich folk stuff.

KYLE'S MOTHER

I see, well, you certainly have a...
humble home, Mrs. McCormick.

KENNY'S MOTHER

Yeah, well, unfortunately my husband is a
washed up hunk a shit.

KYLE'S MOTHER

I'm sorry to hear that.

In the background, we hear Kenny spit.

KYLE (O.S.)

Ookie mo-GH -- Gross!!
(yelling)
I can't do it, ma!

KYLE'S MOTHER

Try again, boobie!

Kenny spits again.

KYLE

Agh!

KYLE'S MOTHER

You know, your husband and mine used to

work together as teenagers.

KENNY'S MOM

Oh they was best friends. You couldn't separate 'em.

KYLE'S MOTHER

(Intrigued)

RRReally? I met Gerald in college so I didn't know. What happened to them.

KENNY'S MOM

Oh they just grew apart I guess. I think Stewart's a little jealous that your husband got out of making pizzas and went on to make something of himself.

KYLE'S MOTHER

Well that's too bad. I'm sure your husband is a fine man.

KENNY'S MOM

Oh hell no, he's a nugget of deer turd.

KYLE'S MOTHER

But if they were such good friends it seems silly that they don't even talk anymore. Let's get them together!

KENNY'S MOM

I don't know.

KYLE'S MOTHER

We'll just arrange a little fishing trip for them or something.

Kyle and Kenny walk in.

KYLE

I can't say Ookie mouth and have Kenny spit down my throat at the same time! It's impossible!

KYLE'S MOTHER

Practice makes perfect, boobie.

TERRANCE

The good news is you have a clean bill of health.

PHILLIP

Oh, what a relief!

TERRANCE

The bad news is you have cancer.

PHILLIP

My ass is collapsing?!

TERRANCE

Yes, see this x-ray? That's your ass. See that line? That's your ass collapsing. Your ass is collapsing.

PHILLIP

Will this mean I won't be able to fart anymore?

TERRANCE

No, it means you won't be able to live anymore.

Phillip starts to cry. Terrance laughs with him.

Dramatic, soap operaish ORGAN STING.

ANGLE - CARTMAN

He's enthralled.

CARTMAN

Oh no!

Again, Cartman starts to itch.

CARTMAN
(Scratching his face)
Dammit!

Kitty walks up.

KITTY
Meow.

CARTMAN
No, kitty! That's a -- wait a minute...
Come here, kitty!

Cartman picks kitty up and starts rubbing him all over his face.

KITTY
Meow?

O.S. a DOOR opens and closes.

CARTMAN'S MOTHER
I'm back hon, I got some calamine lotion.

CARTMAN
It's about friggin' time! Gimme that!!

Cartman grabs the bag and runs off.

He runs into the bathroom and slams the door shut.

As quickly as he can, he pulls the bottles of calamine lotion out of the bags, whips off their tops, and pours it into the bathtub.

This all happens very quickly, mind you, but Cartman gets through seven bottles of Calamine lotion, all poured into the tub, before he whips off his clothes and jumps in.

Cartman rolls around in the pink liquid filled tub like he has found heaven.

CARTMAN
YYYYes...

CARTMAN
(Blissfully)
You guys...Seriously ...

He takes a swig from his beer.

KENNY'S DAD
I didn't know you liked to fish Jerry-

We now PAN over to see that Kyle's dad is sitting in the passenger seat. He is wearing a brand-new fishing hat and sipping coffee.

KYLE'S DAD
Oh yeah, love it. I haven't done it for a while though. I had to run and buy a few things. You know, a rod and a reel and a uh-

Kyle's dad holds up a box with a handle trying to figure out what it is.

KENNY'S DAD
Tackle box?

KYLE'S DAD
Yeah! Tackle box.

Kyle's dad takes a deep breath of the morning air and stretches his arms.

KYLE'S DAD
Man, smell that mountain air. What a great Saturday morning. Aren't weekends just the best?

KENNY'S DAD
When you're unemployed weekends are meaningless.

KYLE'S DAD
Right, right right.

We now see that Kyle is the only one in the classroom.

KYLE

What the hell does that have to do with American history?

Mr. Garrison thinks for a second.

MR. GARRISON

That's a good question, Kyle. Are there any other questions?

KYLE

Mr. Garrison... I'm the only one here. Everyone else has chicken herpes.

MR. GARRISON

Right... Right... Well class, I'm going to assign you all a paper. The theme of the paper will be "How I would Make America Better".

KYLE

What?! Does everybody have to do it, or just me?

MR. GARRISON

Don't worry Kyle. I sending homework to all the children who are out sick.. They'll have to turn in a paper too.

STAN'S MOTHER

Well, your teacher sent this stuff over for you to do while you're sick.

STAN

That son of a bitch! What kind of sick weirdo is he?!

STAN'S MOM

Now, Stanly, I know at your age teachers can seem cold and heartless, but later you'll understand that he did this for your own good.

STAN

Not Mr. Garrison, ma, he really is a sick weirdo.

STAN'S FATHER

Yeah, it's true. He is.

STAN'S MOM

Oh. Well anyway, here's a pencil and some paper.

The parents go to leave.

STAN

Wait! Where are you going?

STAN'S DAD

We're going down to Happy Burger for milkshakes.

Yeah, and then we're going to the movies.

STAN'S DAD

See ya son!

They slam the door behind them.

STAN

Weak!

INT. KYLE'S HOUSE - DAY

Kyle sits in the living room working on his essay. He talks aloud as he writes.

KYLE

'...So this is how America works. We have Gods and clods. My dad says America needs both rich and poor to survive, but I have a better idea.

Kyle gives an approving look to his paper, then hops down and walks towards the living kitchen. He hears his mother's voice in the background.

KYLE'S MOTHER

No, I don't understand it, Doctor Schwartz, he's perfectly healthy.

Kyle sneaks around the corner, and sees that his mother is on the telephone. She doesn't notice Kyle.

KYLE'S MOTHER

He's been over at Kenny's house three days in a row now and still hasn't caught the chickenpox.

Kyle's eyes grow wide.

KYLE

(Quietly)

What?

KYLE'S MOTHER

I don't know what else to do. We sent the other boys over and they all got sick, but I can't get my little Kyle to catch it.

KYLE

OH MY GOD!!

KYLE'S MOTHER

Kyle, what are you doing there honey?

KYLE

YOU!!

KYLE'S MOTHER

I'll call you back, Doctor Schwartz.

She hangs up the phone and walks towards Kyle.

Kyle backs away from his mother slowly. He points at her with his mouth open.

KYLE

YOU!

KYLE'S MOTHER

What boobie, what is it?

KYLE

You sent us over to Kenny's house on PURPOSE! You WANTED us to get sick!

Kyle's mother sighs.

KYLE'S MOTHER

It was for your own good Kyle. I wanted you to get chickenpox while you were young-

KYLE

Why?! So I could be sitting in the hospital waiting to die like Stan?!?!

KYLE'S MOTHER

Now Kyle, come here-

KYLE

You get away from me you crazy woman!!!

Kyle runs out.

KYLE'S MOM

Oh boy...

COMMERCIAL BREAK

EXT. MOUNTAIN STREAM

Kyle's dad and Kenny's dad sit a fishin'. Kenny's dad sits on a stump dressed normally while Kyle's dad sits on a little fold-out camping chair dressed in the full-on Columbia sportswear weekend warrior garb.

They sit for a while. Kenny's dad reaches in his twelve pack.

KENNY'S DAD

Beer?

KYLE'S DAD

Huh? Oh no thanks. I brought my own-

He pulls out a fancy 6-pack and reads the label.

KYLE'S DAD

'Microbrew Sampler from Aspen.' Has six different beers from local breweries.

KYLE'S DAD

Say, remember that time we built the fort in your mom's back yard?

KENNY'S DAD

(Laughing)

Yeah, it took us damn near two years to finish it!

KYLE'S DAD

What ever happened to that old hunk of junk?

KENNY'S DAD

(Suddenly serious)

That's where I live now.

KYLE'S DAD

Oh, right.

INT. HOSPITAL - DAY

STAN

Kyle bursts into the Stan's hospital room.

KYLE

Stan! Stan!!

STAN

Stan points at his sister who is sleeping peacefully.

STAN

Wake her up and we're both dead.

KYLE

Sorry, sorry.

Kyle comes closer to the bed.

KYLE

You know how after we spent the night at Kenny's house and then you and Cartman got sick with chickenpox?

STAN

Yeah.

KYLE

Dude, our parents SENT us over there to get us sick!

STAN

What are you talking about?

KYLE

They KNEW that staying at Kenny's would make us sick, and they made us do it anyway!

STAN

They DID!?

KYLE

Yeah, and I think I figured out why.

STAN

Why?

KYLE

Because they're a bunch of assholes.

STAN

Of COURSE!

KYLE

Come on, dude, you gotta get out of here.
I don't know what they're planning next,
but it can't be good!

Stan hops out of his bed.

INT. CARTMAN'S HOUSE - DAY

Cartman is floating in the tub full of Calamine lotion.

CARTMAN

'...I hope that one day America could be
more like Endor, where the Ewoks live.
Endor is very cool.'

Suddenly the doorbell rings. Cartman doesn't even move a
muscle.

CARTMAN

MOM! ANSWER THAT!!

(back to his paper.)

'-They have trees and Ewoks and tons of
barbecues which is why I like Endor more
than America.'

The bathroom door opens. Kyle and Stan come in and witness
the fat one laying in the tub writing.

KYLE

Cartman, you remember how we all spent
the night at Kenny's a couple of days
ago?

CARTMAN

I remember frozen waffles with no side
dishes.

STAN

Cartman! Our parents sent us over there
to catch chickenpox from Kenny!

KYLE

Yeah dude, your mom WANTED you to have
herpes on your face!

Cartman pops out of the tub.

CARTMAN

SHE WHAT?!

STAN

It's some kind of parental conspiracy.
Our parents are trying to kill us, or
something.

CARTMAN

THAT BITCH!!! I'm gonna go downstairs and
kick her square in the nuts.

KYLE

No, no no. Come on, fatass, we're gonna
get 'em all back!

EXT. MOUNTAIN STREAM

The two dads sit drinking beer watching their fishing poles
not move.

KYLE'S DAD

Well, I'm sure you'll find another job
soon. Something'll come along.

KENNY'S DAD

Not that easy. You were lucky.

KYLE'S DAD

Now, now, I wasn't LUCKY.

KENNY'S DAD

You had rich parents. You got to go to a
expensive community college.

Kyle's dad stands up.

KYLE' DAD

Hey, I worked my ass off to get to where
I am today! I wanted to be somebody!

Kenny's dad stands up.

KENNY'S DAD

I wanted to be somebody too! I just
wasn't born with a silver enema up my
ass!

KYLE'S DAD

You're just jealous! You're a bitter old
drunk just like your father!

POW! Kenny's dad lands on right on the kisser.

KYLE'S DAD

OW!

He goes down.

KENNY'S DAD

(rolling up his sleeves)
Now don't make me do that again-

Kyle's dad stands up and for no apparent reason, Kenny's dad
smacks him again.

KYLE'S DAD
You son of a bitch!

Kyle's dad rushes him. They go rolling back into patch of roses.

KYLE'S DAD/KENNY'S DAD
OW!!!

The fight continues through the other side of the patch.

Kenny's dad body slams Kyle's dad like All Star wrestling.

Kyle's dad jumps up and POW! lands one on Kenny's dad's chin.
POW! Kenny's dad hits him back-

INT. HOSPITAL - DAY

Stan's parents stand over Stan's empty bed.

STAN'S DAD
Doctor?

The doctor comes into frame.

DOCTOR
Yes?

STAN'S DAD
Where is Stan?

DOCTOR
Stan?

STAN'S DAD
Stan. Our son?

The doctor looks at the bed carefully.

DOCTOR
Oh yes. Where is Stan?

STAN'S MOM
You mean Stanly's missing?

DOCTOR
No, no he's not missing... We just can't seem to find him at this moment.

STAN'S MOTHER
Oh my God! Our son ran away!!

STAN'S DAD
Will he be okay out of the hospital?

DOCTOR

Oh sure, sure. But we have to get him back soon. If he doesn't get his antibiotic shot today, he could die.

STAN'S MOTHER

DIE?

DOCTOR

Yes, die. It won't be an easy death either. The chickenpox will slowly move down his trachea into his lungs-

STAN'S DAD

(interrupting)

Okay, well let's go look-

DOCTOR

-As he chokes for breath, the pox will move through his inner ear into his brain, making him think he's David Duchovny

STAN'S MOTHER

OH GOD NO!

STAN'S DAD

I'm sure he couldn't have gone far-

DOCTOR

-Now moving on all fours and wheezing uncontrollably, his cellular structure will regress into a gelatinous mass of-

INT. KYLE'S HOUSE - DAY

Kyle's mom is busy washing dishes when Kyle's dad comes through the door. He is covered in mud and blood and his clothes are tattered.

KYLE'S MOM

So how was it? Did you boys have a good time fishing?

KYLE'S DAD

That son of a bitch ripped my parka!

He collapses on the couch, exhausted.

KYLE'S MOM

Catch anything?

KYLE'S FATHER

I just don't get it. Why would he invite me fishing and then turn into a complete bastard?

KYLE'S MOTHER

Well, darling, I have to tell you something... He didn't invite you. I set the whole thing up.

KYLE'S FATHER

What?! Now why the hell would you KNOWINGLY deceive me like that?

KYLE'S MOTHER

I thought it would be good for you.

KYLE'S FATHER

Just like you deceived our son into going to Kenny's house. And THAT didn't work either!!

KYLE'S MOTHER

I'm DOING THE BEST I CAN!!

Kyle's mother runs out. Slamming the door.

Kyle's father picks up Kyle's paper, which is lying on the couch.

KYLE (V.O.)

My Final Solution by Kyle Broflovski. My Dad is the smartest guy in the whole wide world...

Kyle's dad smiles.

KYLE

He has taught me that all poor people are actually things called clods. I want to live in a world of only Gods. So my idea to make America better, is put all the poor people into camps...

Kyle's dad's eyes bulge out.

KYLE'S FATHER

WHAT?!

KYLE

If we get rid of them, there will be nothing but rich people. And there won't be any hunger, poverty or homeless people... Cuz they'll all be dead. The End.

Kyle's dad throws the paper down.

KYLE'S DAD

Oh God... What have I done?

INT. CHEF'S HOUSE

Chef is watching television.

ANGLE ON TELEVISION

Phillip is on the operating table with his ass in the air.

PHILLIP

What's happening here, Terrance?

TERRANCE

We're doing an anal transplant. It's our only hope.

PHILLIP

Who's the donor?

Terrance climbs into his ass-raising apparatus right next to Phillip.

TERRANCE

I am Phillip. I am.

PHILLIP

Terrance, you're giving up your ass for me?

PHILLIP

Just half my ass. Can you believe it Phillip? Here we are, best friends and now we're going to share the same ass.

A knock on the door.

CHEF

Oh dammit, not now!!

CHEF

Dammit!

The kids stand outside.

CHEF

Children! What are you doing here?
Terrance and Phillip are about to go into surgery!

KYLE

Chef, we want to know about herpes.

CHEF

(guilty as charged)
What makes you think I would know anything about that?

KYLE

I don't know. You're just the only grown up we trust.

STAN

How does someone get herpes?

CHEF

Well, you get it by sharing relations with somebody who already has it. You have to be very careful around someone who has herpes.

KYLE

Do you know anyone with herpes?

CHEF

Well there's old Frida down on Main street. She has a mouthful of herpes... You need to stay away from her.

STAN

But what if we WANT to give somebody herpes?

CHEF

Oh, then Frida's the right person to go to.

KYLE

Cool! Thanks Chef!

CHEF

Okay!

The boys merrily walk off.

Chef closes the door. Chef heads back to his television when suddenly he stops.

CHEF

Wait a minute... What the hell did I just do?

EXT. AVENUE DE LOS MEXICANOS

Stan's parents are in their car cruising the boulevard looking for Stan.

STAN'S MOM

Stanly!

STAN'S DAD

STAN!

STAN'S MOM

Oh Stanly where are you?

STAN'S DAD

Stan?!!!!

STAN'S MOM

Stanly!!!!!!

They round the corner just in time to miss the kids walking by.

The boys walk up to OLD FRIDA who stands on the corner with her cigarette, halter top, saggy tubes for breasts, and great smile.

The boys run up.

KYLE

Are you old Frida?

FRIDA

Who wants to know?

Kyle looks at Stan. Stan shrugs.

KYLE

Somebody who wants a favor.

FRIDA

10 dollars a lay, 5 dollars a blow.

KYLE

Huh?

CARTMAN

We want you to give our parents herpes.

Frida looks dumbfounded.

FRIDA

5 dollars.

STAN

My dad has five dollars on top of his dresser!

STAN

(coughing)

Stan hacks up some more.

KYLE

Stan, you sound pretty sick. Maybe you should go back to the hospital.

STAN

And have Shelley kick my ass? No thanks! Plus, I gotta get my parents back just as much as you do.

START MONTAGE

I'm a believer by the Monkeys kicks in as the boys watch Old Frida put everything in their house on her herpes sores.

INT. STAN'S HOUSE - DAY

Frida busily brushes her teeth with Stan's parents toothbrushes. She gives the boys a thumbs up.

INT. CARTMAN'S HOUSE - DAY

The boys watch as Frida takes a BIG swig right from the milk jug and put it back in the fridge.

INT. STAN'S HOUSE - DAY

The boys stand at the door with old Frida. Stan gives the hooker a five dollar bill.

STAN

Thanks a lot Frida.

FRIDA

Don't mention it.

Frida leaves. The boys head back inside.

KYLE

Dude, this is going to be so killer. They're all gonna get herpes.

STAN

(coughing)

Hurray!!

Suddenly, the door opens. It's Stan's parents, Kyle's mom and Cartman's mom.

The boys whip around.

STAN'S DAD

Stanly! Where the hell have you been!?

STAN'S MOM

Dammit Stan, you had us worried sick! You have to get back to the hospital for a shot.

STAN

I don't wanna go back there!

Stan's dad grabs him.

STAN'S DAD

Come on! We're going to the hospital.

STAN

Don't you guys feel like brushing your teeth first?

STAN'S DAD

What?

STAN

You know, freshen up your breath!

KYLE

Oh man... I don't feel so good...

Suddenly, Kyle passes out.

KYLE'S MOTHER

Oh good, maybe you finally caught the chicken..... KYLE!!

COMMERCIAL BREAK

EXT. SOUTH PARK

Dawn. The sun rises.

INT. HOSPITAL - MORNING

All four of the boys are in hospital beds.

DOCTOR

Well, I hope you boys learned your lesson. Going out and playing around with chickenpox almost killed you all.

KYLE

We're sorry.

DOCTOR

Well, just be thankful we got to you in time. Your parents are here to see you, I'll send them in.

KYLE

This itches! Give me some of that calamine lotion Cartman.

CARTMAN

Hell no, you guys get your own!

All the parents walk in.

STAN'S MOTHER

Stanly, how are you feeling today, son?

STAN

Pretty good.

Now we see that Stan's mom and dad have open sores on their lips.

STAN'S MOM

The doctor says that maybe you can go home tomorrow!

STAN'S DAD

Yeah, isn't that great Stanly?

STAN

Wow, cool!

Kyle's mother and father also have sores on their lips.

KYLE'S MOTHER

And how are you, Kyle?

KYLE'S FATHER

Are you doing okay?

KYLE

I'm better now!!

Kyle and Stan start laughing merrily.

STAN'S MOTHER

What's so funny you two?

KYLE

We gave you guys herpes!!

KYLE'S MOTHER

WHAT, WHAT, WHAT?! YOU did this?!

STAN

We got you back for getting us sick!! We had a prostitute use your toothbrushes and stuff.

STAN'S FATHER

I can't believe you gave us herpes! You little rascals!

STAN'S MOTHER

Well, I guess it serves us right... Kids, we should have been honest about wanting you to get chickenpox...

KYLE'S MOTHER

It's true. We were wrong for deceiving you about it.

Cartman's mother is standing next to her son, looking fine.

CARTMAN

Hey, how come you don't have sores on your lips, ma?

CARTMAN'S MOTHER

Oh, I have them somewhere else, poopie kins.

CARTMAN

Hooray!!

KYLE'S DAD

And, a, Stewart. I think I owe you an apology. I've realized that I shouldn't be so cold towards people that are less fortunate than me.

KENNY'S DAD

Awe hell, I'm sorry too.

Angle on the TV we hear....

TERRANCE

Oh Phillip, I'm so glad everything turned out for the better. Ha ha ha....

Cut to Cartman in bed.

CARTMAN

Well, I know one thing for sure...

CARTMAN'S MOTHER

What's that, Eric?

CARTMAN

We're ALL gonna need a lot more calamine lotion!!

All the parents and kids laugh merrily together, as "I'm a Believer" kicks in.

The doctor looks really confused.

Suddenly, Kenny's EKG goes flat. Kenny goes limp.

STAN

Oh my God!! They've killed Kenny!!

KYLE

YOU BASTARDS!!

A beat... Then everybody laughs again.

FIN.
