

"Terrance & Phillip: Behind The Blow"

INT. CARTMAN'S HOUSE - DAY

The boys are sitting on Cartman's couch watching E True Hollywood story on television.

NARRATOR

And so, in her career filled with lies,  
backstabbing and whoring herself for  
money-

ANGLE - TELEVISION

NARRATOR (CONT'D)

She learned that the price of fame can  
be pleasing sixty-five men at once in a  
dark, dirty alley. And so ends Punkie  
Brewster: Behind the Blow.

CARTMAN

Woa, bummer dude.

KYLE

Okay, dude, it's three-thirty!

Cartman changes the channel.

NARRATOR

It's time for the TERRANCE AND PHILLIP  
SHOW!!!

BOYS

YEA!!!

PHILLIP

Excuse me, buddy...

TERRANCE

Why did you fart?  
(Terrance farts)  
OH NO!

The boys laugh.

STAN

Oh man, this another re-run!

CARTMAN

Are you sure? I haven't seen it.

KYLE

Yeah, fat ass, this their famous mechanic sketch.

PHILLIP

I'm looking for a mechanic. Can you tell me how to get to the auto garage?

TERRANCE

Sure, buddy! All you do is go down to-

-

Terrance farts long and loud as he describes the directions in detail and gestures earnestly. We can't hear any dialogue over the five second fart.

The boys laugh.

TERRANCE (CONT'D)

--And THAT'S how you get-

BOYS

-Get to the Auto Garage!

PHILLIP

I'm sorry, buddy, but you could tell me how to get to the Auto Garage WITHOUT FARTING?

TERRANCE

Sure, you go the same way, except stick your finger up your ass.

PHILLIP

No, no, no! I mean could you tell me the directions again without YOU farting?!

TERRANCE

Oh, sure, just stick your finger up my ass.

PHILLIP

Alright, no problem, buddy.

Phillip sticks his finger up Terrance's ass.

PHILLIP (CONT'D)

Now tell me, how do I get to the Auto  
Garage to see the mechanic?

TERRANCE

You're AT the auto garage. I'M the  
mechanic.

PHILLIP

Why the heck didn't you tell me you  
were the mechanic.

STAN

Because I had an itch up my ass.

TERRANCE

Because I had an itch up my ass! HA HA  
HA!!!

The boys laugh.

PHILLIP

OH NO!

Phillip pulls out his finger and Terrance lets out a giant  
fart.

TERRANCE

AHAH HAAAAHA AHAH!!!

PHILLIP

HA AH AAAAAHA!

Now a superimposed bubble of Terrance and Phillip appears.

TERRANCE

Terrance and Phillip will be right  
back-

PHILLIP

After these messages!

KYLE

When are they gonna make new ones?

A commercial comes on.

NARRATOR

HEY KIDS! DON'T MISS THE GREATEST  
EVENT OF THE YEAR! This Thursday  
night, at the Denver Colosseum! See  
Terrance and Phillip - live and in  
PERSON!

STAN  
What's this?!

NARRATOR  
One night and one night only! See all  
your favorite Terrance and Phillip bits  
LIVE!

KYLE  
OH MY GOD!

Cartman starts running around.

CARTMAN  
YOU GUYS! YOU GUYS!

STAN  
I KNOW I KNOW!

NARRATOR  
To order tickets call TICKETSLAVE NOW!

KYLE  
WRITE THE NUMBER DOWN!! WRITE THE  
NUMBER DOWN!!

INT. CLASSROOM - DAY

The kids are in their seats talking before school starts.

Kyle comes running in, in his pajamas, holding four  
tickets.

KYLE  
DUDE!

STAN  
DID YOU GET 'EM?!

KYLE  
I GOT 'EM! FOUR TICKETS, SIXTY-EIGHTH  
ROW TO TERRANCE AND PHILLIP! I WAITED  
IN LINE SINCE THREE THIS MORNING!

CARTMAN

Awesome! Give me mine!

BUTTERS

Wow, you guys are gonna see Terrance and Phillip live?

STAN

Yup! Tomorrow night!

Ms. Choksondik enters, and immediately starts to write 'Earth Day' on the chalkboard as she speaks.

MS. CHOKSONDIK

Alright, children, settle down. As you know, this coming Friday is EARTH DAY. And I am pleased to announce, that the national Earth Day organization has chosen South Park this year as it's location for the Earth Day Brain Washing Festival!

KIDS

Ooh!

MS. CHOKSONDIK

The heads of Earth Day Brain Washing Organization are here to tell you all about it.

Three serious looking environmentalists step up. Two men and a woman, they all look very serious in suits. They have little yellow ribbons pinned on them.

EARTH DAY PRESIDENT

Hello children, I know you are all very excited about having the Earth Day Brain Washing Festival put on in your town.

EARTH DAY PERSON 2

(Waving his hand)

You care very much about the Earth don't you.

KIDS

Yes.

EARTH DAY PRESIDENT

Good! Because it's up to all of you to get lots of people to come and make it look great! The festival is on Friday, so we'll start getting it ready TOMORROW NIGHT!

The boys look horrified.

KYLE

What?!

EARTH DAY PERSON 2

We've all got to pitch in.

STAN

(Raising his hand)

Uh, I'm sorry but the four of us can't help tomorrow night.

CARTMAN, KYLE AND KENNY

Yeah.

The man squints his eyes and dramatic music plays.

EARTH DAY PRESIDENT

You... what?

KYLE

We got tickets to see Terrance and Phillip live in Denver tomorrow night. We paid forty bucks a piece for them.

EARTH DAY PRESIDENT

And Terrance and Phillip are more important than mother Earth?

CARTMAN

Wul yeah, dude.

EARTH DAY PRESIDENT

(Waving his hand)

You don't care about Terrance and Phillip.

The boys just stare back.

EARTH DAY PRESIDENT (CONT'D)

(Waving his hand)

Nothing matters than saving the planet from Republicans. You don't need to see Terrance and Phillip.

STAN

No, dude, we really REALLY do.

EARTH DAY PRESIDENT

(Whispering to his assistant)

Their will is strong...

MS. CHOKSONDIK

Boys, I'm sorry, but nothing is more important than Earth Day.

KYLE

Uh... But that's why we're going!

The other boys look confused.

STAN

Huh?

KYLE

See, we're the official Presidents of the Terrance and Phillip fan club, a- and we're going to see them tomorrow to get them to perform at the Earth Day festival.

EARTH DAY PERSON 2

You can get Terrance and Phillip to perform?

(To the President)

That WOULD be great, Terrance and Phillip would draw huge ratings from children all over the country.

EARTH DAY PRESIDENT

Very well, kids. We'll work on getting the event ready here and you go get Terrance and Phillip.

BOYS

ALRIGHT!

EARTH DAY PRESIDENT

But I warn you... You better not  
promise things to Earth Day people that  
you can't deliver...

Suddenly, the room gets dark as the camera slowly zooms in  
on the Earth Day President's face.

EARTH DAY PRESIDENT (CONT'D)  
Earth Day people can be... very  
unforgiving.

Kyle looks around nervously.

KYLE  
Huh-huh... No problem...  
(To the other kids)  
No problem.

EXT. PEPSI CENTER - NIGHT

The sign out front reads 'The comedy of Terrance and  
Phillip!'

INT. PEPSI CENTER - NIGHT

The Pepsi center is filled, mostly with kids, excited to  
see Terrance and Phillip.

The four boys are seated together somewhere in the middle.  
Cartman is stuffing his face with Candy.

NARRATOR (O.S.)  
LADIES AND GENTLEMEN!!!

The audience starts to go wild. The boys get up out of  
their seats.

BOYS  
YEAH!! WOO HOO!

Now we see lights swirling around the stage. The audience  
is going wild in anticipation.

NARRATOR  
PUT YOUR HANDS TOGETHER FOR...  
TERRANCE!!!

Terrance walks out on stage with his arms raised in victory. Terrance has gained about a hundred and twenty pounds and looks like crap.

Terrance makes it out to center stage and takes the microphone.

TERRANCE  
HELLOOOOOOO DENVER!!!!

The audience cheers, though many looked visibly disturbed.

KYLE  
Wow, dude, Terrance got really fat.

STAN  
Yeah, he looks terrible.

TERRANCE  
How are we all feeling tonight? Pretty good?!

The audience claps.

TERRANCE (CONT'D)  
OH OH!!!

Terrance leans over and farts. Some of the audience laughs.

TERRANCE (CONT'D)  
Hey, do you all remember this one?!  
Doctor, Doctor! I think I cracked my  
ass!!  
(Different voice)  
Really? Let me take a look.  
(Different voice)  
Look closer!

Terrance laughs and then laughs all by himself.

The boys look at each other.

STAN  
Uh...

CARTMAN  
Where the hell is Phillip?  
(Calling out)

PHIL-LIP! PHIL-LIP!

The rest of the crowd joins in.

CROWD

PHIL-LIP! PHIL-LIP!

TERRANCE

And now, for some classic Terrance and Phillip comedy!!!

The audience goes wild again, expecting Phillip to come out. A man named Gary Wallace walks in through a false stage door, wearing phillip's t-shirt. Gary is a normal looking American guy.

GARY WALLACE

Hello, Terrance!

TERRANCE

Hello, Phillip!

In the audience, the boys look more confused than ever.

STAN

Phillip? That's not Phillip!

TERRANCE

Say, Phillip, I have a question for you!

GARY WALLACE

Okay, shoot.

Terrance farts on Gary's head.

TERRANCE AND GARY

(Laugh)

Some people in the audience laugh and applaud, but our boys aren't laughing.

KYLE

Dude, what the hell is going on? Why'd they replace Phillip?

CARTMAN

(Laughing)

I think this new guy's funny!

TERRANCE

And now here's a classic Terrance and Phillip sketch that I wrote back in sixty-two!

Terrance and Gary both put on hats.

GARY WALLACE

Excuse me sir, do you know who farted?

TERRANCE

He sure did!

GARY WALLACE

What's the person's name?

TERRANCE

Who!

GARY WALLACE

The guy that farted!

TERRANCE

WHO!

GARY WALLACE

The person that passed gas!

TERRANCE

WHO PASSED GAS!

GARY WALLACE

Now why are you asking me?!

TERRANCE

That's the man's name!

GARY WALLACE

That's who's name?!

TERRANCE

YES!

The boys still looked bummed, except for Cartman, who is smiling.

STAN

Something terrible has happened in the world of Terrance and Phillip and we've got to find out what.

GARY WALLACE

Look buddy, all I'm trying to find out is what's the guy's name that farted.

TERRANCE

What's the guy that drank his own urine!

INT. PEPSI CENTER - BACKSTAGE - NIGHT

After the show, the boys are walking backstage. They all have little passes around their necks that read 'Official Fan Club President'.

STAN

Come on guys, we're getting to the bottom of this!

They get near the dressing rooms, but a big security guy is standing in front of one of those velvet ropes, holding a clipboard, and with a headset on.

STAN (CONT'D)

Excuse us.

SECURITY

Where do you think you're going?

KYLE

We have to talk to Terrance.

SECURITY

(Laughing)

Yeah, right.

STAN

It's okay, we're the official Presidents of the Terrance and Phillip fan club!

SECURITY

Then get in the 'Official Presidents of Terrance and Phillip fan club' line.

The Security points to a sign that says 'Presidents of Terrance and Phillip Fan Club Line'. A huge line of young boys (at least fifty) wait to get in.

CARTMAN

Oh, dude, gay!

STAN

You don't understand, we saved Terrance and Phillips' lives once!

SECURITY

You and about a thousand other people at one time or another. Now get out of my face.

The boys walk away, pissed.

CARTMAN

Redneck!

The boys walk to the end of the Presidents of fan club line and stand behind some goofy kids in Terrance and Phillip gear.

STAN

Man, this sucks!

A strange looking kid in front of the boys turns to them.

KID

Are you guys official Presidents too?

CARTMAN

Don't talk to us, kid.

KYLE

Hey look at THAT line! It's way shorter.

Another line in front of a sign that reads 'Female Groupies and other Random Sluts'. About five bad looking whores wait to see Terrance. As the boys look, one of the women is let in.

STAN

I don't think we're female groupies OR Random sluts.

CARTMAN

Kenny's a random slut.

KYLE

Well maybe we can sneak in over there,  
come on.

The boys walk to the end of the Female groupies line where  
A really fat slut in spandex is putting on some makeup.  
Kyle puts his finger to his lips-

KYLE (CONT'D)

Shh...

-And pulls the top of the woman's spandex down. The boys  
start to crawl inside her pants and fat.

INT. TERRANCE'S DRESSING ROOM - NIGHT

Terrance is in his dressing room, making out with the slut  
we saw being let in moments earlier.

RANDOM SLUT

It was so great meeting you. I feel  
like we've really shared something.

TERRANCE

We sure did, baby... NEXT!!!

The door opens and the fat whore from the end of the line  
walks in. The other woman leaves, looking pissed.

FAT WHORE

Hello, Terrance! I'm such a HUGE fan!

TERRANCE

You're a HUGE fan, alright!

FAT WHORE

Could I just have you sign my breasts?

TERRANCE

But what do I get in return?

FAT WHORE

Whatever you want.

Terrance and the slut start making out wildly. They  
finally fall onto Terrance's couch and start having sex.

TERRANCE

Oh yeah... That's good, baby. Like that... Yeah... Good... OOHFFF!!!

FAT WHORE

(At the same time)

Oooh! Terrance! I LOVE YOU! I LOVE YOU! OOOHFFF!!!!

Cartman pops out of the woman's spandex.

CARTMAN

AGH! WFEW! Man it smells down there!

TERRANCE

(Looking at Cartman)

Jesus Christ, that was fast! Well, What should we name it?! How about Jerry?

FAT WHORE

What the hell?

The whore stands up and all the kids fall out of her spandex.

TERRANCE

OH WOW! WE HAD QUADRUPLETS!

FAT WHORE

AAAGAHGH!!!

The fat whore runs out screaming.

STAN

We're not quadruplets, we snuck in that woman's spandex to get in here.

TERRANCE

Oh, thank God. The last thing I need is more kids.

(Picking up a pen and paper)

What'dya want an autograph or something?

KYLE

It's more important than that. Our school is putting on a big show for

Earth day and we PROMISED people we could get you to perform!

TERRANCE

Earth Day, huh? That sounds like a very noble cause. How much does it pay?

STAN

But where's Phillip?

Terrance doesn't answer. He just folds his arms and stares angrily back at Stan.

TERRANCE

Who?

KYLE

Phillip, your partner.

TERRANCE

Why is it that every time somebody sees me they have to say 'Hey where's Phillip' like we're friggin' married or something?! You know, I'll let you tater tots in on a little secret - Phillip is a HACK. You know who WROTE all the Terrance and Phillip stuff? ME! Phillip never did ANYTHING but read his lines!

KYLE

But the guy who replaced him sucks.

Now Phillip's demeanor changes, as he sighs deeply.

TERRANCE

I know... I know he sucks..

Terrance sighs and walks over to his mirror where he looks at himself while venting some more.

TERRANCE (CONT'D)

To be honest, things haven't been going so well lately. I'm not making any money because everyone wants to see PHILLIP. Why?! What the hell does Phillip do?!

STAN

Wul, cuz' dude, it's Terrance and Phillip.

TERRANCE

Ugh, whatever. The point is, Phillip and I are through... And apparently, so is the act... And so is the money.

STAN

What if we can get Phillip to agree to get back together, will you do the Earth Day show for us?

TERRANCE

HA! Gooood luck getting Phillip. He left because he wanted to do 'more serious' stuff. Last I heard he was doing Canadian Shakespeare in Toronto.

KENNY

Toronto?!

KYLE

But we PROMISED the Earth Day people you'd perform.

TERRANCE

Well in that case... I'd say you four boys are up fart creek without a paddle!

The boys look at each other nervously.

EXT. SOUTH PARK - TOWN SQUARE - DAY

A huge stage has been set up in town with a 'Earth Day Brain Washing Festival' banner. This is going to be a big event, as booths and environmental games like 'Save the Whales' and 'Shut off your lights' are everywhere.

The Earth Day People walk through the working kids.

EARTH DAY PRESIDENT

Work, work, children, we only have two more days until Earth Day! Work!

They walk past a booth that Clyde and a couple other kids are working on called 'GLOBAL WARMING! OH NO!'

CLYDE

Uh, excuse me? My daddy is a geologist, and he says there actually isn't any concrete evidence of global warming.

EARTH DAY PRESIDENT

That's not true.

(Waving his hand)

Global warming is going to kill us all. The republicans are responsible.

CLYDE

Thank you.

Clyde goes back to work.

The boys walk through the carnival like atmosphere, watching as tons of children hammer and nail and stand on ladders getting the event ready.

To their dismay, the boys also see that there are signs everywhere that say 'TERRANCE AND PHILLIP LIVE AT EARTH DAY!' And 'Earth Day presents - Terrance and Phillip!' And yet another sign that says 'Kyle and his friends PROMISED Terrance and Phillip!'

STAN

Oh no, dude...

The three Earth Day people walk up to the boys.

EARTH DAY PRESIDENT

Oh THERE you are boys, I need Terrance and Phillip's information so I can tell them their schedule.

The boys look at each other.

KYLE

Uh... We didn't get them.

EARTH DAY PRESIDENT

You... What?

STAN

T-they're not together anymore, dude.

EARTH DAY PERSON 2

You better be joking. We've already announced their participation!

KYLE

Look, we can probably get Terrance. But he'll be performing with this other guy-

EARTH DAY PRESIDENT

You promised us Terrance and Phillip. We, therefore, promised the WORLD Terrance and Phillip. You will GET us Terrance and Phillip, or ELSE!

STAN

But there's nothing we can do, Phillip is doing Shakespeare in Canada now.

EARTH DAY PRESIDENT

Then you better get your asses to Canada and GET HIM. We'll make the travel arrangements.

(Walking away)

Nothing is more important than the environment, boys... Not even your lives.

The boys swallow hard.

KYLE

Well guys... I guess we're going to Canada.

CARTMAN

Weak.

EXT. OUTDOOR ROTUNDA SHAKESPEARE THEATER - CANADA - DAY

In a quaint outdoor setting, tons of Canadians have turned out to watch the Canadian Version of 'Hamlet'.

LAERTES and HAMLET (PHILLIP) are fencing.

LAERTES wounds HAMLET; then in scuffling, they change rapiers, and HAMLET wounds LAERTES.

KING CLAUDIUS

Part them; they are incensed.

HAMLET (PHILLIP)  
Nay, come, again.

QUEEN GERTRUDE falls.

QUEEN GERTRUDE  
WAGH!

OSRIC  
Look to the queen there, buddy!

HORATIO  
They bleed on both sides. How is it,  
my lord?

Now we see that the boys are in the audience, extremely bored. Cartman is asleep. Kenny is playing with a toy airplane. The audience is made up of both Canadians and Americans.

OSRIC  
How is't, Laertes?

LAERTES  
Why, as a woodcock to mine own springe,  
Osric. I am justly kill'd with mine  
own treachery.

HAMLET (PHILLIP)  
How does the queen?

KING CLAUDIUS  
Hey guy, she swounds to see them bleed,  
buddy.

QUEEN GERTRUDE  
No, no, the drink, the drink,--O my  
dear Hamlet! I am poison'd.

She dies.

QUEEN GERTRUDE (CONT'D)  
BLAGH!

HAMLET (PHILLIP)  
O villany! Ho! Let the door be  
lock'd: Treachery! Seek it out.

LAERTES

It is here, Hamlet: Hamlet, thou art slain; No medicine in the world can do thee good; In thee there is not half an hour of life; The treacherous instrument is in thy hand, Unbated and envenom'd: the foul practise Hath turn'd itself on me lo, here I lie, Never to rise again: thy mother's poison'd: I can no more: the king, the king's to blame.

HAMLET (PHILLIP)

The point!--envenom'd too! Then, venom, to thy work, buddy.

Hamlet stabs KING CLAUDIUS.

ALL

Treason! Treason!

KING CLAUDIUS

O, yet defend me, friends; I am but hurt.

HAMLET (PHILLIP)

Here, thou incestuous, murderous, damned Dane, Drink off this potion. Is thy union here? Follow my mother.

KING CLAUDIUS dies.

KING CLAUDIUS

BLAGH!

LAERTES

He is served; It is a poison temper'd by himself. Exchange forgiveness with me, noble Hamlet: Mine and my father's death come not upon thee, Nor thine on me. BLAGH!

He Dies.

HAMLET (PHILLIP)

Heaven make thee free of it! I follow thee, guy. I am dead, Horatio. Wretched queen, adieu! You that look pale and tremble at this chance, buddy,

That are but mutes or audience to this  
act, Had I but time--as this fell  
sergeant, death, Is strict in his  
arrest--O, I could tell you, buddy,--  
But let it be. Horatio, I am dead;  
Thou livest, guy; report me and my  
cause aright To the unsatisfied.

HORATIO

Never believe it: I am more an antique  
Roman than a Dane: Here's yet some  
liquor left, buddy.

STAN

Jesus tap dancing Christ is this thing  
ever going to END?!

HAMLET (PHILLIP)

He has my dying voice; So tell him,  
with the occurrents, more and less,  
Which have solicited. The rest is  
silence.

Hamlet (phillip) dies.

HAMLET (PHILLIP) (CONT'D)

BLAGH!

HORATIO

Now cracks a noble heart. Good night  
sweet prince: And flights of angels  
sing thee to thy rest, buddy!

EXT. PARKING LOT - OUTDOOR SHAKESPEARE THEATER - DAY

Phillip is back in his normal clothes, carrying his  
Shakespeare clothes, and getting into his modest car when  
the boys chase him down.

STAN

Phillip! Phillip!

PHILLIP

Yes?

STAN

Our town in Colorado was chosen to host Earth Day this year, and we need a big act.

PHILLIP

Oh, really? This run of Hamlet is closing down, I'm afraid. We could take it there!

STAN

Uh... Wul, we were thinking how cool it would be if you and Terrance got back together for a reunion-

PHILLIP

AHP! Stop right there. I'm not doing nothing with that fat ass ego maniac.

STAN

But we need you.

PHILLIP

I'm sick of him taking credit for all the work, and not letting me change the act. It's old and stale, I mean, do you really think fart jokes are funny for THAT LONG?!

Phillip farts and laughs.

CARTMAN

Look, if you don't come and do the show, I'll make you eat your parents!

PHILLIP

Yeah, whatever, kid.

STAN

He'll do it, dude.

KYLE

Uh, look, Phillip. Everyone in South Park just wants to see your serious side.

PHILLIP

What?

STAN, KENNY AND CARTMAN

What?

KYLE

They told us, that Phillip, he's the one with talent, just get HIM for Earth Day.

PHILLIP

Really? That sounds interesting... How much does it pay?

STAN

Two thousand dollars.

PHILLIP

I'm in! Here call me at this number with the details! Gotta run!

Phillip gets into his car and drives away.

STAN

Dude, you didn't tell him Terrance would be there.

KYLE

I didn't say he WOULDN'T be there, either. Look, all we have to do is get them there, right? Once Terrance and Phillip get together again, it'll be like old times!

CARTMAN

Oh, Kyle, you just made a huge withdrawal at the First Bank of lies.

The boys stare at Cartman for a beat.

KYLE

It'll.. It'll be okay.

EXT. SOUTH PARK - TOWN SQUARE - DAY

Earth Day is all set in South Park. Kids are still busily sweeping and cleaning, putting up banners and getting ready.

The Earth Day people walk through the event. The President barks commands through a megaphone.

EARTH DAY PRESIDENT  
WORK FASTER! FASTER, CHILDREN! Earth  
Day is coming!

The Earth Day President walks up onto the stage where the  
four boys are standing.

EARTH DAY PRESIDENT (CONT'D)  
Well, boys, it's rehearsal time and  
your Terrance and Phillip haven't shown  
up.

KYLE  
They said they'd come!

STAN  
I'm sure they'll be here any minute!

EARTH DAY PRESIDENT  
Maybe you kids don't understand how  
important Earth Day is for the future  
of our planet. Maybe you need some  
convincing. Karl?

The other Earth Day guy grabs Kenny's arm and slams it down  
onto a table. In an instant he pulls out an Earth Day  
cleaver and chops off the lower half of Kenny's arm.

KENNY  
AAGAHGHGH!!!!

STAN  
OH MY GOD!

PHILLIP  
Excuse me, is this where the Earth Day  
crap is happening?

KYLE  
HE'S HERE!!

EARTH DAY PERSON 2  
Oh. Very good. Mr. Phillip, I'm Jack  
Farlis the Head of Earth Day committee.  
Thank you for being a part of this  
important event.

PHILLIP  
Whatever, where's my check?

The Earth Day President hands over the check.

Terrance walks onto the stage from the other side.

TERRANCE

Alright, I'm here, where do I--

Terrance stops when he sees Phillip.

PHILLIP

What's HE doing here?

EARTH DAY PRESIDENT

Alright, let's do a rehearsal so that  
the camera crew can get a look at it!

The Earth Day people walk off stage.  
Terrance and Phillip just continue to look away from each  
other from opposite sides of the stage. There is an  
uncomfortable moment of silence as Kenny continues to bleed  
out his stump. Kyle tries to take over.

KYLE

Uh... Wow! Isn't this great?! You  
guys seeing each other again?!

STAN

Yeah, you must have a lot of catching  
up to do, but let's rehearse first!

PHILLIP

So, this is all YOUR doing, huh,  
Terrance?!

TERRANCE

MY DOING?! These kids CALLED me and  
said this was YOUR idea and you wanted  
to apologize!

KYLE

Please, you guys, this is for Earth  
Day.

(waving his hand)

You caaaare about Mother Earth don't  
you?

PHILLIP

Well what the hell, I already flew out.  
But I want my check made out to ME not  
both of us!

TERRANCE

DITTO!

STAN

Fine!

The boys and Earth Day heads happily get off the stage and  
go down into the audience.

KYLE

See?! I TOLD you it would work!

EARTH DAY PERSON 2

Alright, and we'll come off the speech  
about dying whales and then... ACTION!

Terrance and Phillip stand on the stage with their backs to  
each other and their arms folded. They deliver their lines  
with absolutely no conviction.

TERRANCE

Doctor, Doctor, I cracked my ass.

PHILLIP

Really? Let me take a look.

TERRANCE

Look closer.

Terrance farts and neither one of them laugh.

Kyle tries to get the crowd going by clapping half  
heartedly.

KYLE

Ha ha... Ha...

PHILLIP

Yon fart doth smell of elderberries  
sweet. Doth thou protest?

TERRANCE

Er--wha? That's not the line, asshole.

PHILLIP

You're right, it's a better one,  
asshole.

TERRANCE

Just do the bit RIGHT, DICK FACE!

PHILLIP

WHY DON'T YOU GO EAT SOME MORE PUDDING  
YOU FAT ASS DRUG ADDICT?!

TERRANCE

I MAY BE FAT BUT AT LEAST I DIDN'T GET  
HAIRPLUGS!

PHILLIP

THAT'S IT! I AIN'T DOING NOTHING WITH  
KUKO THE WHALE!

TERRANCE

I NEVER NEEDED YOU IN THE FIRST PLACE  
YA HACK!!

Terrance and Phillip walk off the stage, pissed.

Everyone in the crowd looks worried.

KYLE

You can't leave! The show starts  
soon!!

EARTH DAY PRESIDENT

Boys, you've got...

(Looking at his watch)

Three hours to get those two back  
together. Do I need to remind you what  
will happen if you don't? KARL!

Karl grabs Kenny's other arm, throws it down on a table and  
cuts it off.

KENNY

AAAGHGHGH!!!

KYLE

You bastards!

EARTH DAY PERSON 2

Good luck, boys.

The Earth Day people walk away.

CARTMAN

(Holding Kenny)

We've got to get them back together,  
you guys! They might do this to US!

EXT. EARTH DAY - DAY

Earth Day has started, tons of people have turned out and are walking around the booths and rides.

NEWSCASTER

Tom, I'm standing in South Park Colorado, where the Earth Day 2001 is in full force! Environmental awareness games, booths, and of course, the entertainment on stage, which is being broadcast live all over the country... This Eco-Happy crowd is thrilled and waiting in anticipation for the arrival of Terrance and Phillip, who were promised by these four boys-

A superimposition of our four boys, looking nervous.

On the stage, a hippie girl with a guitar is finishing her song.

The song ends and the crowd goes wild. The Earth Day President walks out onstage.

EARTH DAY PRESIDENT

What a touching and true song. You know, it's true-

(Waving his hand)

Republicans are ruining the Earth.

CROWD

Republicans are ruining the Earth.

EARTH DAY PRESIDENT

Alright, well, I think I know why most of you tuned in today -- How about some EARTHDAY ENTERTAINMENT?!

The crowd goes wild.

Kyle, Cartman and Kenny walk out onto the stage. Kyle talks into the microphone.

KYLE

Hooray for the Earth we must protect it!

The crowd cheers.

KYLE (CONT'D)

And now, as promised, here are Terrance and Phillip... ON VIDEO!!!

Kyle gestures over to Stan, who is standing near the control center of cameras, video players, etc. Stan hands a video tape to the control center guy that says 'Terrance and Phillip - Behind The Blow' written in crayon. The control guy takes the tape and puts it in the player.

The Earth Day President is back with his partners in the crowd.

EARTH DAY PERSON 2

On VIDEO?!

The curtains part on the stage revealing a large screen that says 'Earth Day 2001'. After a few seconds, a video image comes up.

It is a photograph of Terrance and Phillip, posed.

NARRATOR

They were considered the best comedy act in all of Canada, but a fast paced, rocket ride to success would bring them to the depths of despair. This is Terrance and Phillip: Behind the Blow.

AUDIENCE

Wow.

The Earth Day people walk over to where the four boys are standing.

EARTH DAY PERSON 2

What the hell do you call this?!

KYLE

It's Terrance and Phillip, behind the blow. I taped it last month.

EARTH DAY PRESIDENT  
WE PROMISED PEOPLE TERRANCE AND  
PHILLIP! NOT A VIDEO DOCUMENTARY!  
You've ruined the Earth for the last  
time, boys.

The cleaver comes out, and the chase begins.

BOYS  
AAAGHGH!!

Meanwhile, the crowd continues to watch the video:

EXT. NEW YORK CITY CIRCA 1967 - BLACK AND WHITE

A black and white still photo of Terrance's mother and father holding little baby Terrance. Terrance's father is a lumberjack and his mother is a Mountie.

NARRATOR  
Terrance was born Terrance Henry Stoot  
- in the small Canadian village of  
Toronto. At a very early age, his  
parents noticed an uncanny musical  
ability and decided to enroll him in  
the Canadian School for gifted babies -

A still shot from the Canadian School For Gifted Babies. A class photo type shot of little Canadians. As the narrator talks about Phillip, one of those highlighted spots hits Phillip's face.

NARRATOR (CONT'D)  
-It was here that he partnered up with  
Phillip Niles Argyle, a brash young  
baby from Montreal. Together, they  
performed musical acts that stunned  
Canadians everywhere.

A still poster that says 'PERFORMING TONIGHT! THE AMAZING BABIES!!!

Stock footage of New York Times square in the fifties.

NARRATOR (V.O.) (CONT'D)

At the tender age of six, Terrance and Phillip were off to the United States, to perform on the Ed Sullivan Show, where American audiences would be exposed to Canadians for the first time...

Stock footage of the Ed Sullivan marquee.

INT. ED SULLIVAN SHOW - BLACK AND WHITE

Very grainy, very contrasty black and white footage shows Ed Sullivan in his classic waist-up shot in front of the curtain.

ED SULLIVAN

And now, ladies and gentlemen, we have two adorable little boys from Canada. Please put your hands together for the music of young Terrance and Phillip!

The audience applauds as we see little six year old Terrance and Phillip on stage. They are dressed in 50's style cowboy outfits. They sing a gay little song while clapping their hands to the beat.

TERRANCE AND PHILLIP

Beef and lamb, chicken and Ham  
-step to the left and clap a yo hands!  
Gosh we love chicken and ham  
Don't let it go to waste that chicken  
and ham!

The American audience looks stupefied.

AUDIENCE WOMAN

(Screaming)

OH MY GOD WHAT'S WRONG WITH THEIR  
HEADS?!?!

HER HUSBAND

It's alright, darling, they're just  
Canadian.

AUDIENCE WOMAN

Oh.

Meanwhile, Terrance and Phillip continue their bit.

TERRANCE AND PHILLIP  
Beef and lamb chicken and ham  
Step to the left and clap a yo' hands  
Gotta a little left chicken and ham  
Don't let it go waste that chicken and  
ham!

The song ends and Terrance and Phillip end their dance in a dumb pose.

NARRATOR (V.O.)  
The Canadian act confused American audiences.

The audience doesn't really know how to react. A couple of them clap. Ed Sullivan looks angry.

NARRATOR (V.O.) (CONT'D)  
But then, something happened that would change Terrance and Phillip's act forever.

Still in their final pose, Phillip accidentally lets out a little fart.

The audience goes wild, laughing and applauding.

Ed Sullivan laughs and claps.

Terrance and Phillip look at each other, and then Terrance decides to fart.

The audience laughs even harder.

NARRATOR (V.O.) (CONT'D)  
It was the birth of Canadian Comedy.

#### INT. PHOTOGRAPHS

We see Photos of Terrance and Phillip on various stages and at various ages passing through frame.

-On the Tonight Show with Johnny Carson

-Standing with Tony Orlando and Dawn

-Meeting Gerald Ford

NARRATOR

Terrance and Phillip spent the next several years perfecting their art, and meeting some of America's most influential people.

EXT. SOUTH PARK - TOWN SQUARE - CONTINUOUS

The crowd is watching the special on the big screen. Terrance walks through, carrying his suitcase and looking angry.

PHILLIP

Excuse me, which way is the bus station?

MR. GARRISON

Hey, you're the guy on the screen!

PHILLIP

What?

When he hears the narrator's voice, Phillip looks up, and starts to watch.

NARRATOR

But it was in 1974, On the Sonny and Cher show, that Terrance and Phillip finally started to mix their Canadian humor, with deep, political insight...

INT. SONNY AND CHER SET - CIRCA 1972

Sonny and Cher are on their stage with that big lame drawing of them in the background.

SONNY

You know Cher, a lot of us real Americans don't know much about Canada.

CHER

(Arms folded looking away)

A lot of us REAL Americans aren't as stupid and short as you.

The audience laughs and applauds.

SONNY

Please put your groovy hands together  
for the young and talented Terrance and  
Phillip!!

The audience applauds as Terrance and Phillip, now in their  
teens, take the stage.

PHILLIP

Say Terrance, I'm getting worried about  
all these Russians making missiles.  
Maybe we should stop this cold war.

TERRANCE

HERE'S A MISSILE FOR YA!

Terrance farts. The audience laughs.

PHILLIP

Oh that's better!

The audience laughs.

INT. SOUTH PARK - TOWN SQUARE - CONTINUOUS

Still watching, Terrance smiles.

(Back to the video)

Phillip farts on Terrance's head, then Terrance farts on  
Phillip's head.

The audience laughs wildly as Terrance and Phillip continue  
to laugh and fart. Terrance runs over and jumps onto  
Cher's head and farts. Phillip farts all over Sonny.

NARRATOR

With this bold mix of humor and  
political insight, the world couldn't  
get enough of Terrance and Phillip.  
But their fame would come with a price,  
when Behind The Bow continues.

EXT. SOUTH PARK ELEMENTARY -- CONTINUOUS

The boys are running for their lives down the street.

STAN

(Panting)

Okay... Okay... I think we lost 'em.

KYLE

Jesus, man, those Earth Day people  
don't screw around.

CARTMAN

Kyle, none of this would be happening  
if you hadn't lied in the first place.  
YOU LIED And then you lied to cover up  
your lies!

KYLE

I DIDN'T SEE YOU COMPLAINING AT THE  
TIME, FAT BOY!

STAN

Guys, we have no choice... We're going  
to have to move away. Environmental  
activists don't use logic or reason.

EARTH DAY PERSON 2

THERE THEY ARE!

The boys spin around in horror and find the three Earth Day  
folks there.

Karl swings his cleaver and cuts off one of Kenny's legs.

STAN

AGH! RUN RUN RUN!!!

The boys run and Kenny hops. The Earth Day people follow.

(COMMERCIAL BREAK)

INT. PHOTOGRAPHS

PHOTO: Terrance and Phillip in a hot tub with four girls  
and drinks.

NARRATOR

As they entered their late teens,  
Terrance and Phillip were already  
starting to taste the sweet milk of  
success. But the price of fame was  
looming. As Terrance and Phillip:  
Behind the Blow, continues-

A title card for Terrance and Phillip: Behind the Blow.

NARRATOR (CONT'D)

The seventies and eighties were a good time for young Terrance and Phillip-

PHOTO: Terrance and Phillip on the Donny and Marie show. In the photo they are doing some kind of huge dance act.

NARRATOR (CONT'D)

Their act on the Donny and Marie show won them a Nobel Peace Prize.

PHOTO: Terrance and Phillip on Time Magazine with the title "Canadian Invasion!"

NARRATOR (CONT'D)

They were on the cover of every magazine...

PHOTO: Another Magazine - Terrance and Phillip on the cover of Teen Beat. 'What Phillip thinks about fat girls!'

NARRATOR (CONT'D)

And then in 1998, Even a Saturday Morning Cartoon was made, based on Terrance and Phillip. Terrance and Phillip themselves supplied the voices...

TERRANCE AND PHILLIP CARTOON

EXT. STRANGE, FOREIGN PLANET - DAY

In a very slick and cool looking cartoon that looks a little bit like the old Star Trek cartoons, Terrance and Phillip look somewhat recognizable, but they are drawn incredibly well.

A TITLE at the bottom of the screen reads "From Episode #102 'Terrance and Phillip and the Land of the Goat People'"

PHILLIP

Say Phillip - What should we do about this strange planet we've crashed on?

TERRANCE

I don't know, Phillip. It seems like the alien species here breathe an inert gas.

PHILLIP

Oh oh! Did you say what I thought you said?!

Both Terrance and Phillip fart and laugh together.

Just then Alrojner, the leader of the goat people steps forward. His followers cower behind him.

ALROJNER

As leader of the goat people, I have seen my species nearly wiped out by your species' dangerous gas.

PHILLIP

Wow, that sucks.

Phillip farts again and they laugh.

As scenes from the cartoon continues - We hear the narrator continue.

NARRATOR

The cartoon was such a huge success, that it started to breed confusion over whether Terrance and Phillip were animated characters, or real people...

A still frame, drawn photo of Terrance sitting down at a desk, writing. Phillip stands behind him pointing to something on the page.

NARRATOR (CONT'D)

And so, in 1998, the comedy team started work on what they thought would be their greatest achievement -

A scene from not without my Anus start to play in the background, as the Narrator continues.

NARRATOR (CONT'D)

-A made for T.V. movie, written by and starring Terrance and Phillip called NOT WITHOUT MY ANUS.

Another still frame - this one of the Title card for Not Without My Anus.

NARRATOR (CONT'D)

It was their biggest project to date, but it had the misfortune of being scheduled on a night when a different and more popular television show, The John Schneider Variety Hour, was supposed to air. When fans tuned in to see John Schneider, and instead were treated to the Canadian Made for TV movie, they were enraged, bewildered, and scared.

Three still shots of American people burning down the HBC building. One is a full riot shot with the HBC building burning in the background. Another is a few rioters pouring gas onto a tied up television executive, as an already burnt executive lies next to him. The last shot shows people overturning a car and a guy holding another guy's severed head.

NARRATOR

The fans revolted, and burned down the network, killing six television producers and wounding twelve others. The hatred of Terrance and Phillip had begun.

A still shot of Terrance sitting on a couch looking bored and drugged out.

NARRATOR (CONT'D)

Terrance fell into a deep depression, and started abusing wood polish.

A still shot of the Canada Times with the Headline 'Phillip Beats Child!'

NARRATOR (CONT'D)

Phillip beat up an angry six year old fan and was sued for six million dollars. It was the first time the duo tasted failure, and it nearly killed them both...

EXT. SOUTH PARK - TOWN SQUARE - CONTINUOUS

Again we see the crowd watching the video. Terrance steps in.

TERRANCE

What's going on here?

MACKEY

Shh, we're watching Behind The Blow.

Terrance looks up at the screen.

EXT. SOUTH PARK - TOWN SQUARE - CONTINUOUS

The boys run all the way back into the Earth Day ceremonies.

STAN

Come on, Kenny, hurry up!

EXT. SOUTH PARK - TOWN SQUARE - CONTINUOUS

Phillip is watching the video.

NARRATOR

After years of depression and suicide attempts, Terrance and Phillip finally decided to get together for one last film. The 1999 smash hit, 'Asses of Fire'.

The movie poster for Asses of Fire.

NARRATOR (CONT'D)

It was one of the highest grossing films of the summer, and though the film also started the Canadian/American War of 1999, in which eight million people lost their lives, the film was considered a great success.

Still shot of one of the war scenes from the movie.

NARRATOR (CONT'D)

After almost being executed by the American Government, Terrance and Phillip were eventually returned to Canada where they were touted as heroes. They had been to hell and back. Through the very best and the worst of times, together, but they had seen it through. And so ends Terrance and Phillip: Behind the Blow.

EXT. SOUTH PARK - TOWN SQUARE - DAY

The video ends and the crowd cheers.

In front of one of the booths, we see Phillip walk into frame, with his eyes peeled on the video screen.

Terrance walks in from the other direction.

PHILLIP

Terrance...

TERRANCE

Oh, Phillip. You're still here too?

PHILLIP

I was just watching this video. You know, I've never seen it before.

TERRANCE

Me neither.

PHILLIP

We sure did go through a lot together...

TERRANCE

We sure did...

PHILLIP

Terrance, I...

TERRANCE

No, no, Phillip, don't say it. I was an asshole, this was mostly my fault.

PHILLIP

That's what I was gonna say. You were an asshole, this was mostly your fault. BUT you were always the more artistically driven of us. I should have put more into it than I did.

TERRANCE

No, Phillip, I really THOUGHT I did everything... Until I tried to do it alone.

Phillip farts, nice and long. Terrance and Phillip laugh.

EXT. SOUTH PARK - TOWN SQUARE - CONTINUOUS

At another part of the Earth Day festivities, the Earth Day people have the four boys cornered. Kenny is down to only one leg, which he hops on hopelessly.

EARTH DAY PRESIDENT

Think of all the endangered species  
that will now vanish because of you!  
KARL!

Karl swings the cleaver and Kenny's last leg comes off.  
Kenny falls and rolls with his back towards camera.

EARTH DAY PRESIDENT (CONT'D)

SO LONG BOYS!!!

The Cleaver swings again-

KYLE

Wait!! Dude, LOOK!

The Earth Day people turn around to see Terrance and Phillip walking out onto the stage.

The crowd goes wild.

TERRANCE

Thank you, everyone! Thank you. You know, Phillip and I have learned an important lesson, that when you go through a lot with somebody, you can't let trite things come between you.

PHILLIP

That's right Terrance, you should only let things come between your ass cheeks!

Terrance and Phillip fart and laugh.

STAN

They're BACK!

CARTMAN

Alright!

EARTH DAY PRESIDENT

Yes! Earth Day is saved, boys!  
Everything worked out after all!

STAN

It sure did!

Cartman rolls Kenny over so that he can see the stage.

CARTMAN

Look, Kenny! Everything turned out  
okay!

KENNY

Mrph rmhp?

Meanwhile, on the stage, Terrance and Phillip continue.

PHILLIP

Say Terrance, can you tell me who  
farted?

TERRANCE

He sure did, Phillip...

PHILLIP

No! I'm asking you his name.

Dramatic, slow PULL BACK as Terrance and Phillip continue  
the who farted sketch-

NARRATOR (V.O.)

And so, Terrance and Phillip got back  
together. Proving once and for all  
that fame and fortune are never as  
important as friendship.
